- 8 Flu Shot Info
- 10 Halloween Coloring Sheet
- 12 Membership Form

Important Dates:

AGM – October 9th

Bi-weekly Garbage Pick Up Starts – November 6th

Dear Hampton Village,

I hope everyone was able to enjoy our wonderful summer as much as I did. I met so many residence of Hampton Village this summer during many walks in our parks; I even managed to meet a few of you on the Golf Course. I hope everyone was able to get out this summer and meet new people in the neighborhood and getting a feel of the Community and a place of belonging.

The Hampton Village Community Association has been very busy this summer making adjustments to the outdoor rink, so that the rink will be fully functional this winter. We are looking forward to having a huge Grand Opening for the rink in December. Please stay tuned for the date. There have been some wonderful residence of Hampton Village who have volunteered to help with the rink this year, however, we are still looking for a couple more people to help flood and clear the ice surface. If you are interested, please contact me at the email address below.

Our Annual General Meeting is coming up very quickly. It is very important for people of the community to come out and make your ideas heard. Any suggestions, question or concerns that you may have, can always be brought up at any meeting. Everyone is welcome at the Association Meeting that are held every second Wednesday of every month at the Hampton Free Methodist Church. There are plenty of positions including Kinder Soccer Coordinator, Treasurer and Members at Large that need filling, if you are interested in becoming part of an Association that constantly works at bettering the community that we all live in, please come and join us!

As requested, a Hampton Village Book Club has been formed for anyone who enjoys reading and getting together with other people in the Community to socialize and discuss the book read. If you are interested in joining, please email me for information. Hampton village is also very active on Facebook and Twitter. Stay up to date on all of the events happening in your community on our website and Facebook page.

If you have any question or would like to volunteer for an event, I would love to talk with you. You can email me at president@saskhvca.com. The schedule is up on our website at www.saskhvca.com.

I look forward to meeting many more residence at our AGM as well as many of the upcoming awesome events that the Hampton Village Community Association is holding in the upcoming months.

Sincerely,
Justine McCaffrey, HVCA President

And help make our Community Great!

For every person that attends the AGM, HVCA will donate \$10 to Kidsport. There will be pizza & coffee at available.

Hampton Village Kinsman Rink

Hampton Village Kinsmen Rink

BACKGROUND

2011 – The City of Saskatoon, Dundee and the Hampton Village community Association made an agreement to “build and operate a community rink.”

2012 – The Hampton rink structure was built during the Spring/Summer season. Two Atco trailers were placed on site as possible storage and/or warm up buildings.

CURRENTLY

The Community rink in Hampton Village needed many repairs due to being built in an area that was very unlevel and levelling was not complete. Over the summer months Hampton Village Community Association has hired out the help of a local Framer, Colin Penner, to fix the rink boards, replace top boards with chain link fence, build benches and build the new shed. Local Excavator, Kevin, owner of Arrow Earthworks has been hired to help level the ground in and around the rink.

The rink boards have all been levelled, the top sections of plywood sheets have been replaced with chain link fence (donated by Nordic Fencing), benches added to the outside of rink, the rink painted and crusher dust put inside to ensure a better quality ice surface (crusher dust donated by HJR Asphalt Partnership). Kinsmen Foundation donated \$6124.25 for the rinks work, matching the fundraising of the Hampton Village Community Association over 6 months.

The City of Saskatoon joined with Hampton Village Community Association to build a 10' x 10' shed in place of the ATCO trailers, which were unable to serve the original purpose of storage facility and warm up shack for the rink. The shed will serve as a storage facility for the Association and water connection for the Community Rink.

The Winter 2013/2014 season will **definitely** see a rink which can be used by everyone in the community. The final steps of the rinks completion are well underway.

Hampton Village plans to host a Rink Grand opening in early December (weather permitting), where people can gather to skate, visit and share some treats! (Date will be listed on the website and the HVCA Sign near Shoppers when it becomes available)

Without so many dedicated and committed people and companies this project would not have been completed!!

A HUGE THANK YOU:

[Focused on what matters to your family]

As your MLA, and as the NDP leader, I'm focused on what matters to you and your family.

I'll keep pushing for higher quality education for our kids, and that includes **a new school for Hampton Village**, smaller class sizes, and more one-on-one supports.

I'll also keep pushing for better seniors care for our parents and grandparents. That means more spaces and more choices. And it means higher standards and appropriate staffing levels in care facilities.

At a time when our economy is so strong, we expect and deserve high quality public services, like education and seniors care.

I'll keep pushing this government to deliver on what matters.
