| *Babysitting Course (Ages 11-14) | *Pilates (Adult) |

Watch Facebook and our website, www.saskhvca.com, for updated information on how to register, dates, times, cost.

Just a reminder-- a \$10 HVCA membership is required to participate in all of our programs. We also accept memberships from other communities. Don't forget to take a peek at the HVCA sign outside of Shopper's for important dates!

I am expecting a new arrival in our family the first week of September and will be unable to take late registrations at my home as I have done this past year. I will, however, do my best to ensure that everyone gets to sign up for programs.

We have an amazing team of volunteers in Hampton Village who are very generous with the time and effort they put in to help everyone in our beautiful community.

If you would like to volunteer with programs or if you are an instructor and want to share your talents with our community in the seasons to come, please contact me via email. I will get back to you as soon as possible.

I look forward to seeing everyone out and about this fall!

IMPORTANT INFORMATION

REGARDING ELK POINT CONSTRUCTION

The City of Saskatoon would like to remind residents to slow down, pay attention, and respect work zones. Watch for pedestrians and work crews, and for everyone's safety, obey all detours, signs and barriers.

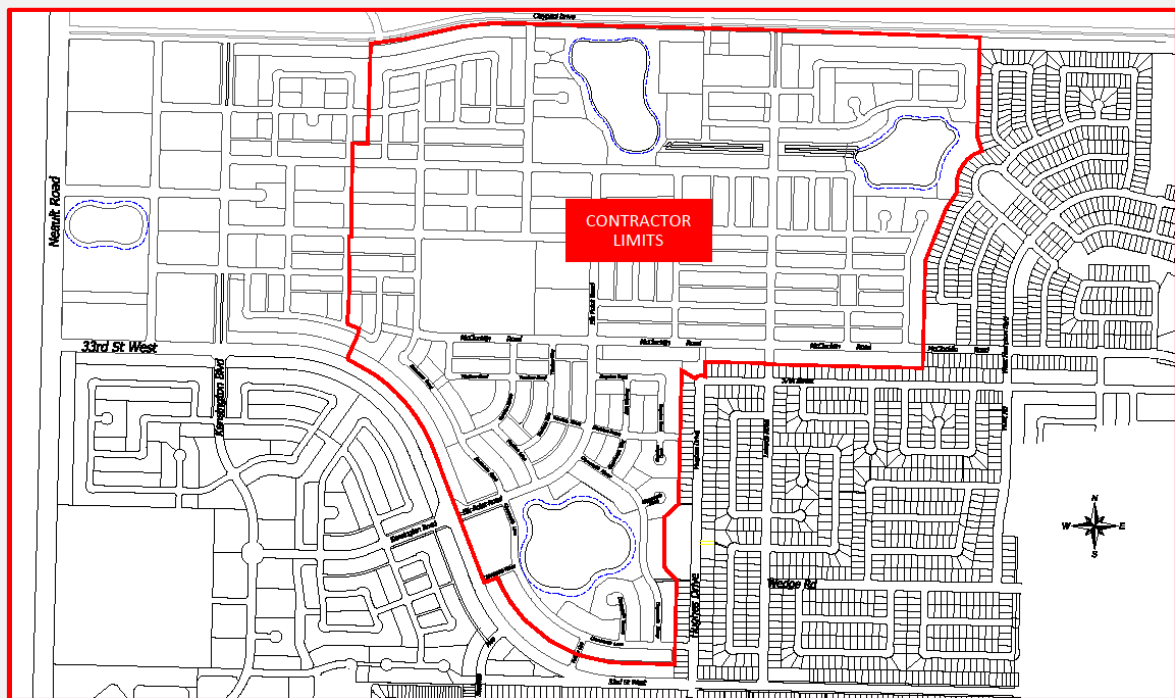

Significant construction work is underway as development of this new and vibrant neighbourhood continues. It is important for your safety and for the safety of our workers that neither vehicles nor pedestrians enter a work zone at any time as there are many potential hazards including moving equipment and open trenches.

Even when workers are not present and construction may look complete, barriers will stay in place where there are road side hazards or where fresh pavement or concrete needs to set.

The City thanks residents for their patience as this necessary work is carried out.

Please note: Battleford Trail and Range Road 3061 are closed with access to local traffic only – please detour via 33rd Street.

The map indicates the limits of the current work zone. For more information please do not hesitate to contact Construction & Design at 306-975-2454.

HVCA Family Fest

Hampton Village Community Association's "Family Fest" is a fun-filled evening hosted by the HVCA board and organized by HVCA board member, **Pam Laurans**. June 25, 2015, marked the third year this event has launched the summer holidays for HVCA children and families. Approximately 1,400 Hampton Villagers came out to enjoy this evening. This year nine bouncy castles dotted Al Anderson Park. Bouncy castles were designated according to age categories to ensure fun and safety for all children. As a volunteer assigned to supervise the bouncy castle for two year old children, I was amazed to watch how quickly these little children caught onto the skills required to master the bouncy castle. Many, many children went home tired and happy after this fun filled evening.

Many thanks to Pam for her ongoing enthusiasm and all the volunteers who help make this happen! The volunteer pool for this event is varied. Some are young, some are parents who live in the community, some are grandparents who don't live in the community, and some are community partners. Each of them see the value in bringing good things to our neighbourhood.

We would also like to thank Pam and Shannon (right), from Safeway at Confederation Mall, and Cam Broten (below), local MLA, for their support of HVCA Family Fest!

SUM Theatre

Thank you to everyone who came out and to Sum Theatre, Saskatoon for this presentation. I hope this becomes an annual event in Hampton Village!

The weather was ominous on Thursday, July 16, threatening rain, but the rain stayed away until the end of the Sum Theatre presentation of “Hercules” in Anita Langford Park in Hampton Village. It was great fun for all in attendance!

Is Community Gardening for you?

Are you interested in gardening but don't have enough space? Would you like to eat tasty, home grown vegetables more often? Do you feel like you missed out on gardening this summer? Would you like to see a community garden in Hampton Village in the future?

Community gardens are a healthy and cost conscious way for individuals to access fresh vegetables. They also encourage eating more home cooked and less processed foods.

Community gardens can build friendships, networks, and support community safety. Gardening also helps children learn about where their food comes from.

For this to become a reality, we need a team of dedicated and enthusiastic volunteers to organize the development and management of a potential community garden in Hampton Village.

If you are interested in being part of a future community garden in Hampton Village, are interested in being on the planning committee, or have questions, please contact Cassandra at hamptonvillagecommunitygarden@gmail.com or 306-290-9904.

The Hampton Village Community Association (HVCA) is a volunteer, non-profit organization established to serve the recreational and cultural needs of our neighbourhood.

The Association's goal is to promote a sense of community and enrich the quality of life in the area.

HVCA has a core group of hard working volunteers

who meet once a month to plan affordable sports, culture, and recreational programming for our community.

We would love to have you join us as we work toward this goal!

**Our next meeting is
Wednesday, Sept. 9th, at
Hampton Methodist Church.**
