Change in Hampton Village

The ancient philosopher, Heraclitus said: "The only thing that is constant is change." In other words, the only thing we can count on is things will change. Some change we like and some we will not. In this edition you will read about some changes coming to Hampton Village.

A long awaited change is the opening of schools in Hampton Village this fall. Associated with this change are traffic calming measures to ensure the safety of all children as they walk or ride their bikes from all parts of our neighbourhood to school. All traffic calming initiatives surrounding the school will be in place by the time the school opens.

Having our own school means the location of the HVCA board meetings will change to the Community Room effective November 2017. In the New Year, more of our indoor programming will occur in the new school. Having schools in our community will centralize the location of our programming. It will also impact the number and variety of programs we can offer. For instance we will have some daytime programming as of this fall! Daytime programming includes English Language practice, Cribbage and Coffee, and Mom and Baby Fitness. See dates and times on page 3. Volunteers are needed for the English Language practice program. Training and support is provided for those who are interested. See page 9 for details.

Another positive change is the progress of the strip mall on McClocklin Road. The road construction that will be associated with the change will be a change we will not like while we are in the midst of it. You can read more about that in Troy Davies' report to the community on page 4.

There has even been a change to our local pizzeria. Around the end of May the Homer's Pizza store ceased to be a franchise and became an independent pizza store. This change means a new name and phone number but same great pizza and even better prices!

And even the soccer age groups have changed! SYS will now include children in the U5, U6 and U9 categories. Kinder soccer will be for children who are 3 years of age as of October 1, 2017.

Changes will be required to the HVCA board as current board member positions expire and some current members are unable to continue in their current roles. Perhaps you would like to join the board as together we navigate the changes which will impact our community! Attend the AGM on Wednesday October 11th and see how you can influence change!

Wednesday, October 11, 2017

Starting at 6:00 p.m.

Hampton Free Methodist Church

Member at Large

Role:

This is a voting member of the HVCA Board with no specific responsibilities unless the MAL volunteers to assist at an HVCA event.

Responsibilities:

- Attend monthly meetings.
- Help with special projects and/or events if interested and as time permits.
- Help deliver the newsletter.
- Some rink supervision shift during winter season
- Willingness to learn new things and be involved in community projects.
- Encourage other individuals to volunteer for the Community Association.

Let us know if you are interested in becoming involved in the board or have more questions about being a board member please email communications@saskhvca.com.

HVCA BOARD

The Hampton Village Community Association (HVCA) is a volunteer, non-profit organization established to serve the recreational and cultural needs of our neighbourhood. The association's goal is to promote a sense of community and enrich the quality of life in the area. HVCA Board has a core group of hard working volunteers who meet once a month to plan affordable sports, culture, and recreational programming for our community. We meet on the second Wednesday of every month. Our next meeting is **Wednesday, September 13** at Hampton Free Methodist Church. Meetings start at 630 p.m. We would love to have you join us!

AGM Information

As per the bylaws of a non-profit organization, HVCA is required to hold an annual general meeting to report to our community, update bylaws and fill vacant board positions. Board positions have varying levels of time commitment in addition to volunteering to assist at events HVCA hosts in the community. Generally, there are openings every year for new board members as terms are staggered to allow for transfer of knowledge and continuity of board operations. The Member at Large position is a great way to meet the team and learn more about HVCA without making a huge time commitment. The roles and responsibilities of the Member at large (MAL) position are described in the right hand column. In addition to election of new board members, Troy Davies will provide an update to the community.

NOTICE OF AMENDMENT TO HVCA BYLAWS

At the October 11th meeting, the board will present amendment to our bylaws. Hampton Village residents should refer to www.saskhvca.com for details. The proposed amendments will be posted to the website no later than September 26, 2017.

Amendments to the bylaws must be passed by at least 2/3 majority of community members present at the AGM. The voting may take place by secret ballot when requested.

CITY COUNCILLOR WARD 4

"Proud to be the voice at City Council
for the Community that I grew up in"

troy.davies@saskatoon.ca

Update for Ward 4

Hi All;

There is plenty happening throughout Ward 4 and in Saskatoon that will be shared in my yearly update but for now I wanted to focus on some major developments that will be taking place in Hampton Village over the next few months.

Off Leash Dog Park

Trees along the roadway, and fence have been installed. Gates and information kiosks are planned to be installed in August.

Parking Lot surface to be completed in August.

Seeding grass occurred on August 4th.

Total completion date will be fall of 2017.

Hampton Village Business Park

Concept Plan passed at City Council July 26th

This will be a Commercial Development to serve Hampton Village, Westview, Dundonald, and the Airport Business Area.

McClocklin Road will be closed from East Hampton Blvd. to Claypool Drive from August 14 – the end of October to build the new road that will include sidewalks, lighting, and proper width for a major Arterial Road. Once this road is complete the first node of Commercial Development will begin on the West corner of McClocklin and Claypool. You may have already seen the Tim Horton's "Coming Soon" sign. More franchises are coming but are still in the works so I'm not able to release the names at this time.

You are going to see a lot of developments happening in this Business Park over the next 2-4 years.

Land beside the Shoppers Drug Mart

We are currently finalizing a deal for this land. The hope is to have commercial development start late fall or early spring of 2018.

St. Lorenzo Ruiz School Update

It has been a busy summer and we are finally ready for our new school to open. What a great start to what will be an amazing St. Lorenzo School community. A big thanks to all of the parents who have volunteered on our Catholic School Community Council, the Playground Committee, as well as our grade 8 students who have done a great job at leading tours of the school. The St. Lorenzo staff has been hard at work volunteering countless hours during their summer vacation to make sure we are ready for our students. Thank you!

We are so blessed to be a part of the larger Hampton Village Community. The students and staff look forward to playing an important part in continuing to make this community such an outstanding place to live, play and learn. Our school website <https://www.gscs.ca/studentsandfamilies/schools/lor> and school Twitter @StLorenzoStoon will be updated regularly to include the latest dates, events and celebrations at St. Lorenzo. Highlights include our Open House on August 27th, Meet the Teacher and Welcome Back BBQ on September, 19th, and our Official Grand Opening as well as the school Blessing on September 26th

Ernest Linder School Update

The staff of Ernest Linder School look forward to seeing you in September in our fabulous new facility!

Once you see the facility, you will agree that it was worth the wait. The building is complete; furnishing and materials are arriving daily. How exciting!! Our staff were able to tour the facility on July 4th. There was tremendous excitement.

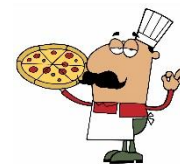

It was wonderful to see the members of our community use the basketball courts as soon as the fence was taken down. It is easy to see the school will be an exciting hub for the Hampton Village Community. We, at Ernest Linder, look forward to working with your family.

The full school calendar, school supply list and other information about Ernest Lindner can be found on the school website <https://www.spsd.sk.ca/school/ernestlindner/Pages/default.aspx> The telephone number is 306-683-7560 and email is ErnestLindnerSchool@spsd.sk.ca

September 5th is the first day of school but students will attend in the morning only. The first full day of classes for elementary students is September 6th. Enjoy the rest of your summer!

Homer's Pizza is now Hampton Pizza!

Fang Shan and Clair Ji have owned the pizza store at 30-102 Hampton Circle since 2013. This past May they became an independent pizzeria rather than franchise operators which is why the name and phone number have changed. In a recent interview, Fang said they are waiting on new signs and hope to have them in place by the fall. Hampton Pizza's new number is **306-261-4726**. Fang also stressed that, while their name and phone number has changed, their goal of providing good food for the neighbourhood remains the same. Fang and Clair want you to call Hampton Pizza when you don't want to cook as they provide food that is clean, safe and fresh! They prepare 80 -100 pizzas using pizza dough they make in store every day! They happily cater to their customer's palate. And don't forget they also have appetizers! Let's support our local pizzeria!

Concerned Hampton Village Resident, Bridget Saraka, invites you to consider Improving your Curb Appeal with Back Lane Garbage and Recycle Pickup

Are you worried about the safety of your children due to decreased street visibility during pickup days?

Are you tired of:

- walking past your smelly garbage bins and over flowing recycle bins after working a long hard day?
- making excuses for the ugly over flowing bins flanking your front entrance to guest when you entertain?
- trying to park around the obstacles of these unsightly bins during pickup days?
- trying to landscape around these massive bins?
- frustrated with your street becoming a single lane during pickup days?

Does street pickup during winter frustrate you as you maneuver your bins down the front of your lawn/sidewalk, over snow and ice rutted streets creating an obstacle course for driving and parking?

Wouldn't back lane pickup:

- Increase child safety?
- Reduce the risk of someone being hit by a car due to poor visibility?
- Improve the curb appeal of your home? You are living in a new development in a new, or nearly new home. Shouldn't the curb appeal of your home match your investment?
- Enable easier street parking for residents with more than two vehicles and their guests?
- Allow landscaping possibilities to become more creative and easier to apply and maintain?
- Improve winter street access and maintenance?

If you resonate with all of the above and would like the city to move garbage and recycling pickup to the back lanes please email me at hvbacklanepickup@gmail.co.

Off Leash Dog Park Ambassador Program

The new Hampton Village Off Leash Dog Park is scheduled to open this fall. It will be known as the Paul Mostoway Off Leash Dog Park. Who was Paul Mostoway? He was a noted Saskatoon citizen, who served on city council for two terms from 1988 - 1994. Mr. Mostoway was also a trustee with the Catholic School Board from 1985-1994. He was the first ever to concurrently hold seats as a Councillor and a Trustee. While there will be no official grand opening of the park, the city will notify Hampton Village residents of the opening on the city website and through a public service announcement. In the meantime, the city is looking for a **Dog Park ambassador**.

The roles of a Dog Park Ambassador include:

1. Relaying issues or concerns regarding the dog park to the city.
2. Attending or sending a designate to the two annual dog park meetings.
3. Ensuring Hampton Villagers are aware of off leash dog park rules of use.
4. Encouraging dog park users to take ownership of the dog park above the minimum provided by the City.
5. Seeking new ways to improve and promote the use of off leash dog parks.

If you or someone you know is interested in taking on the role of Dog Park Ambassador please contact Chelsie at 306-975-8478.

HVCA Garage Sale and Pancake Breakfast – May 13, 2017

The Saturday before the long weekend in May is the annual HVCA garage sale. Mark your calendars for 2018 when the date will be May 12. It is a great opportunity to meet your neighbours and maybe find a bargain or two. This year weather was not as favourable as it has been in past years. With the rain, Hampton Villagers were very glad to be inside Hampton Free Methodist Church enjoying pancakes and sausage prior to attempting to shop at garage sales. 160 breakfasts were served!

Thank you to everyone who volunteered to flip and serve pancakes. It was wonderful to see so many people come to the breakfast. Before and after breakfast people perused displays from Ernest Lindner School Playground Committee, Tykes and Tots Daycare, and HVCA. Face painting and cotton candy were also available.

Family Fest—July 30, 2017

In spite of the soaring temperatures, over 500 people enjoyed the many activities offered at Family Fest on Sunday, July 30. Wonder Woman, the petting zoo, pony rides, Bouncy Castles, glitter tattoos face painting, as well as a variety of food and beverages helped to make for a pleasant day in the park. Many thanks to the organizing committee, the volunteers and our sponsors—Affinity Insurance, Fantasyland Dayhome, Troy Davies, Trail Appliances, and Shopper's Drug Mart. Congratulations to our draw prize winners: **SGL cooler-** J. Nevalga; **Sports bag & thermos** J.Krebs; **Pink Tricycle-** J. Divall, **Cookware** – J. Halvorson; **Signed hockey jersey-** C. Sum Theatre Saskatoon

Thank you to Sum Theatre for their presentation of the Syrian folk tale called *The Woodcutter and the Lion*. The Hampton Village presentation of this free show was held on Friday, July 7th with 169 people and one dog in attendance.

The Woodcutter and the Lion tells the story of a woodcutter who is struggling during a drought. The Woodcutter travels downriver to an island teeming with wood but guarded by a ferocious lion. "The lion allows him [the Woodcutter] to chop some wood, and things get a little out of control and some lessons about courage and friendship and loyalty have to be learned," said director Kelly Fox.

One of the play's cast members, Rana Mustafa, is a Syrian woman who moved to Canada last year. Rana helped incorporate Syrian songs into this year's musical presentation. People of all ages seemed to enjoy the music and dancing opportunities during the play.

In the photo above, Connor Brousseau, the Woodcutter, is travelling down the river where he finds an island with an abundant forest.
