## St. Lorenzo Ruiz Catholic School Information

It is hard to believe that as this newsletter makes it into your hands we will be ready to start our second year at St. Lorenzo Ruiz School. What an amazing year it was, and we know that this second year will bring even more great faith filled experiences. As we welcome the new students and staff during the month of September, we look forward to having them join the Lorenzo family. Late last year we picked our School logo and mascot. With the completion of our mission and vision statements one of our goals will be to breathe life into those words. It has been a pleasure being so warmly welcomed into the Hampton Village Community. We look forward to continually build partnerships that will enhance the community and school alike

## Star Meat Shop

Star Meat Shop opened on July 12, 2018. The shop is located at 102 Hampton Circle, Unit 40. Convenient hours are 10:30 am – 9:00 pm Monday to Friday; 11:30 am– 8:00 pm on Saturday and 11:30 am– 7:00 pm on Sunday. Just when you might be thinking about lunch, supper or a bbq!

They sell marinated meats to make meal preparation easier. All the meats are fresh and ready for your kitchen or barbeque. Chicken is available in mild, medium and spicy marinade. At the request of patrons, a milder chicken marinade has been made with children in mind. Fish, goat, lamb and beef is also available. Halal meats will be a purchase option.

If you are planning a special event you can also place a special order indicating the type of meat and marinade you prefer. A special order must be placed a minimum of six hours prior to pick up to maximize the flavour of marinade.

The goal at Star Meat Shop is to make people's lives easier and healthier with fresh, ready to cook, preservative free meats flavored in marinades without artificial colour.

Stop by, make a purchase and discover a new favorite!

## Saskatoon Food Bank and Learning Centre's Garden Patch

The Saskatoon Food Bank and Learning Centre's Garden Patch is a community-driven urban agriculture initiative. Our mission is to grow nutritious produce for distribution in emergency food baskets at the Food Bank. Thanks to our dedicated volunteers, last season we harvested 17, 825 lbs of fresh produce.

To have another successful year, we need volunteers! Volunteering is free and you do not need any gardening experience. The Garden Patch provides tools, water and sunscreen. There are three main ways to become involved as a volunteer at the Garden Patch.

Drop in when you are free! Each week we have scheduled volunteer drop-in hours. You do not have to register in advance, simply stop by! If you are interested in becoming a regular volunteer you will be provided with a 20-minute orientation that includes information about safety, expectations, and opportunities.

Plan a morning or afternoon of volunteering for your group, organization or business. To book your volunteer date, email: [garden.patch@saskatoonfoodbank.org](mailto:garden.patch@saskatoonfoodbank.org)
