Volunteer? Who? Me?!

Why do you choose to volunteer? For me, volunteering has been part of my life as long as I can remember. In my early teen years, I am pretty certain my mother “volunteered” me for all kinds of activities -- probably just to get me out of her hair. I recall her sending me to visit sick friends! She also arranged for my sister and me to volunteer at a facility for disabled and elderly people. I remember all of these as adventures where I had fun! I laughed with my sick friend and brightened her day. I wrote and read letters to elderly blind ladies. I supported disabled children in shallow pools during the heat of the summer. On Sunday nights my sister and I were among the volunteers who pushed residents in their wheelchairs to the free outdoor concert at the nearby outdoor bandshell.

Did my mother plant a seed of volunteering in me? I wonder, because I can hardly recall a time since my teenage years when I have not volunteered. I didn’t do it to give something back to the community or make a difference to the people around me, but that probably happened. I didn’t do it to develop new skills or build on existing experience and knowledge. Nor did I do it to build an impressive resume. Sometimes, like many of you, my volunteering was a requirement for a sport or activity in which my child was involved at the time. And sometimes I participated in volunteer activities to honour the memory of a loved one. Regardless of the volunteer activity, I have been challenged, rewarded and made friends along the way!

This year all Canadians can focus on the importance of volunteering and give back to our country and our community through the “Canada 150 for 150 Volunteer Challenge.” This is a nationwide movement led by Volunteer Ottawa in partnership with Volunteer Centres across the country. Their goal is to have Canadians volunteer 150 hours of time in 2017 in celebration of Canada’s 150th anniversary. The Challenge includes a special focus on diversity, seniors and youth. Will you take the challenge? Will you volunteer 150 hours? You can register at https://volunteer150for150.ca/sign-in/
Hello Hampton Village residents.
The neighbourhood traffic review for Hampton Village was a success. It was important for City Planners to receive feedback from the residents who drive these streets daily. As a result of the traffic review, 22 traffic calming measures were recommended. The City will be reporting these recommendations to Council for approval in the next few months.

City Council approved $800,000 to be divided between the new schools being built in Saskatoon. Hampton Village Schools will receive $200,000 to construct playgrounds for the Catholic and Public Schools. The playgrounds are to be completed before the schools open in the fall.

As a result of a motion I made at City council, two new arenas and two gymnasiums are coming to Saskatoon. The approved motion proposed the City partner with the U of S Campaign to start building two new rinks this May. This motion means the City of Saskatoon will contribute 3 million dollars over the next 6 years ($500,000 per year), interest free to the rink project. The U of S will operate and run the 41 million dollar facility. This will add a minimum of 1500 more hours of ice time for Saskatoon Minor Hockey Association.

Special thanks to all of the volunteers and to Jan Cunningham from the City of Saskatoon who worked hard to ensure Hampton Village has one of the nicest outdoor rinks in Saskatoon.

I am currently working with DREAM and the City administration to sell the land beside the Church and bring commercial amenities to Hampton Village. We are also working on a plan to properly finish McClocklin Road from East Hampton Blvd. to Claypool Drive.

If you have any questions please email me at troy.davies@saskatoon.ca or feel free to give me a call at 306-361-0201.

St. Lorenzo Ruiz Catholic School Updates

It is funny how time flies when we are having fun. We are a mere 3 months away from getting the keys to the new St. Lorenzo Ruiz School. We have had a busy couple of months and much progress has been made. The facility looks amazing. It is slated to be completed on time and on budget. The Playground Association has met several times and have sent in their concept for tender. St. Lorenzo currently has just over $160 000 for our new playground. If all works out as planned we should have the structures installed in the fall ready for kids to use. The school learning resources are ordered and currently being processed. Library books, math manipulatives, science equipment and technology are but a few of the many items that are currently being processed. It is incredible.

I wanted thank all of the families who have already registered. Our registrations are quickly moving towards what we had projected. In late March, I will be calling all families currently attending a Greater Saskatoon Catholic School and living in Hampton Village who have not yet registered. The purpose of these phone calls will be to provide any additional information that families may need to allow them to decide if their children are staying at their current school or if they are registering at St. Lorenzo. Families who have yet to register can do so by clicking on the following link.

https://www.gscs.ca/studentsandfamilies/schools/lor

It has been a pleasure to meet many of the St. Lorenzo families at different information nights. I look forward to meeting all of our families as we get closer to opening day.

Ernest Lindner Public Elementary School Updates

We continue to accept registrations for Ernest Lindner School. Excitement is building for our school opening in the fall. Families registered with us will be notified via email of school tour times this fall where families can tour our amazing facility. We will be working with the Hampton Village Community Association to work with a timeline and process to book the shared community spaces. More information to come.

Please do not hesitate to contact me if you have any questions. My email address is kachurm@spsd.sk.ca and phone number is 306.683.7560

The childcare provider for all new schools was announced on March 21, 2017. Tykes and Tots will provide childcare for St. Lorenzo and Ernest Lindner Schools. Childcare registration commenced on April 1. Registration inquiries should be directed to Tykes and Tots. Contact information is included below.

HVCA Community Garage Sale
& Pancake Breakfast

2017 marks HVCA’s 8th annual community wide garage sale. We are having a pancake breakfast instead of a BBQ this year. HVCA is partnering with Hampton Free Methodist Church to host a pancake breakfast the morning of the garage sale.

Breakfast begins at 7:30 a.m.

Pick up your garage sale map at the pancake breakfast.

The cost to advertise the location of your garage sale on the map is $5.00.

For more information email: hvcagaragesale@gmail.com

Garage sales advertised on our map will also be advertised on our paid ad on kijiji.

Your participation benefits our community!

McClure United Church parking lot
4025 Taylor St E,
Saturday, May 6, 2017
9 am - 12 noon

Protect against personal identity theft as your old papers go into the Shred-It company truck’s shredders!

Protect your family by removing that unwanted--yet personal paper!
Quickly destroy old bank and utility statements, tax returns (2010 and earlier), old files, outdated documents, etc.

The service is by donation (suggested $10 per paper box, or $5 per shopping bag)
Proceeds assist the McClure Place Foundation in paying down the mortgage at Amy McClure House.

(Note: In 2016, nearly 14,000 pounds of paper was safely shredded in three hours!)
Run to Quit:
Walk or Run to a smoke-free life!

What is Run to Quit?
Run to Quit helps smokers quit for good by taking up walking and running. Walking and running can help people cope with discomfort and cravings while cutting down and quitting smoking. The program pairs the quit smoking expertise of the Canadian Cancer Society with the Running Room’s Learn to Walk or Run 5 km clinics and is funded in part by the Public Health Agency of Canada.

How Does Run to Quit Work?
Participants can join the DIY personal challenge OR, can get extra support by joining, a 10-week Training Program. When smokers successfully quit they are eligible to win prizes. Quit smoking for 5 weeks and be eligible to win $1000. Go the extra step and complete a 5 km event, and be eligible to win 2017 Honda Civic LX or cash prizes.

Ways to Join:
Virtual or In-store Training Programs
Participants are guided through a gentle and progressive 10-week walking or running program while receiving practical support on quitting smoking. You will also receive some extra tools to help you quit:
- Access to quit smoking resources
- Group support with in-person clinics and online dashboards
- Personalized guidance on learning how to walk or run
- Provincial Quitline support
- Free entry to the Running Room Run Club
- Coupons for NICORETTE® or NICODERM®

Do it Yourself
Participants are provided with smoking cessation information and resources and the rest is up to them. This format is for smokers who prefer to quit on their own while having the option to receive free support and cessation counselling from an expert quit coach with the National Quit Smoking Line.

Researchers with the University of British Columbia are proud evaluation partners of Run to Quit: studying various outcomes and applications of the program.
WHAT IS YOUR REASON TO QUIT?

Smoking ran in the family. Carolyn quit smoking so her son wouldn’t start.

Participants are 7X more likely to quit smoking than those trying on their own.

You can quit, we can help. Register today at runtoquit.com
