## Hampton Village Skating Rink

Outdoor ice rinks are such fun! With the cold weather the Hampton Village Community Association Rink coordinators have been busy making ice for the rink. Have you seen them in the glow of the rink lights applying thin layers of water to build up the ice? While the ice surface may not yet be perfect, it is pretty close and skaters have already been out on the ice! The rink is for skaters of all ages and abilities. Families and learners may enjoy skating during the supervised skating which are scheduled each Thursday from 6 – 8 p.m. and Saturday and Sunday afternoons from 2 – 4 p.m. During supervised skating times, no puck or hockey sticks are allowed on the ice. If the weather is -25° or colder, there will be no supervised skating. Enthusiastic skaters are still welcome to skate at their own risk!

Improvements to the rink this year include new benches and an exterior trouble light, seen in the photo to the right. If you see this light illuminated please contact the rink coordinator at [rink@saskhvca.com](mailto:rink@saskhvca.com) or post the information on Facebook. If this light is illuminated, it means the temperature inside rink storage shed is too low. A low temperature might cause the water pipes inside the shed to freeze, resulting in damage to the shed and difficulties flooding the rink.

The Rink Coordinator can always use help flooding and shoveling the rink. If you can add your name to the list of volunteers our rink coordinator, Donovan, will contact you when help is required. Once the rink is fully operational for the season, shovels will be available to help keep the ice in tip top shape!

## Off Leash Dog Park opened December 1, 2017

Councillor Troy Davies was on hand for the official opening of the "Paul Mostoway Off Leash Dog Park" located on Richardson Road, just east of McClocklin Road. It was also delightful to welcome family members of Paul Mostoway in whose honour the park is named. Family members indicated Mr. Mostoway was a busy man. He was an educator and a political figure in Saskatchewan. He represented the town of Hanley from 1971 to 1975 and Saskatoon Centre from 1975 to 1982 in the Legislative Assembly of Saskatchewan. He served on Saskatoon City council from 1988 to 1994 and was a member of Saskatoon Catholic School Board as well as a member of the senate for the University of Saskatchewan.

Several dogs and their owners have been anxiously waiting for this dog park to open. People and their pooches waited patiently to play in the park while City officials described its features. The off-leash dog park is the 10<sup>th</sup> off leash dog park operated by the City of Saskatoon. It is 3.2 acres in size, fully fenced and is one of the few dog parks that is landscaped. There is also a crusher dust pathway, waste receptacles and ten angled parking spaces.

Off-leash dog park users should be aware that a valid dog license is required to access any Dog Park. Animal Control Bylaw Officers periodically visit off leash dog parks and will ticket unlicensed pets. Picking up after your pet is still required in an off-leash dog park.

Dog Park Ambassador Groups coordinate with the city's Animal Services department to ensure the park and its community needs are met. The city is currently looking for Hampton Villagers who have a passion for dogs who would like to be part of a Dog Park Ambassador group for our community. ## Rezoning Application and Official Community Plan Land Use Amendment in Hampton Village Business Park – FUD to B2

The City of Saskatoon, Development Review Section has received an application from Dream Development to rezone lands in the Hampton Village Business Park. The purpose of the application is to implement the Hampton Village Business Park Concept Plan by rezoning from FUD (Future Urban Development) to B2 (District Commercial). The purpose of the B2 zoning district is to provide an intermediate range of commercial uses to serve the needs of two to five neighbourhoods.

In order to accommodate this rezoning, the applicant has applied to amend the Official Community Plan Land Use Map from Business Park to District Commercial.

The Hampton Village Business Park Concept Plan was approved by City Council on July 26th, 2017, and identified the proposed parcel as commercial.

The attached proposed rezoning map and Official Community Plan amendment map identifies the proposed site to be rezoned. This site is also identified in the attached Hampton Village Business Park Concept Plan.

Should you have any questions or concerns about the proposed rezoning or the amendment to the Official Community Plan Land Use Map, contact Mark Wilson, MCIP, RPP Planner Development Review City of Saskatoon 306-986-0902 [mark.wilson@saskatoon.ca](mailto:mark.wilson@saskatoon.ca)

## St. Lorenzo Ruiz Catholic School Information

What an amazing start to our first school year at St. Lorenzo Ruiz! It has been an exciting couple of months to say the least. The parents, students and staff have had many opportunities to get to know each other. Our Meet the staff and welcome BBQ were well attended and provided a formalized time for parents to meet the staff. Father Iheanyi joined us in late September for a mass in our school gym. We are so blessed for this partnership. Our 2 playgrounds were also completed in late September. What an amazing privilege! Thank you to the playground committee for making this happen. We had the opportunity to celebrate Education week in early October. Visits from past Roughriders and also Chef Ardell from Prairie Meats were highlights for our students. Our Family Halloween dance in late October was a huge success. It

was so great to see so many families join us. In early November our community celebrated All Saints Day. Three-way conferences and progress reports were a focus of early November. Having almost all our parents and students attend is a testament to the partnership required in education.

As this newsletter arrives, we should be well into the Advent Season and preparing the Christmas. St. Lorenzo community will have gathered for a Family Christmas Night in the middle of December. This evening allowed us to celebrate the reason for the season as a school community.

We look forward to welcoming new Kindergarten families in January as we begin the process of Kindergarten registration for the 2018-2019 school year. Thank you to all our families for an amazing first half of the year!!

## **Saskatoon Hampton Cricket Club**

Over two billion people worldwide either play or watch cricket, making it the second most popular sport in the world. Did you know that in the early 1900s, cricket was played throughout Saskatchewan, with many towns having clubs? This makes cricket one of the oldest sports in the province and its popularity is on the rise again!

There are currently ten cricket clubs in Saskatoon and it is expected there will fifteen clubs by 2018. All clubs are registered with the "Saskatoon Cricket Association" and Hampton Village is one of those teams!

Cricket has been played at the club level in Hampton Village since 2010. In 2015 the Hampton Cricket Club became part of Saskatchewan Cricket League. Although new members of the Cricket League, the club quickly proved to be very competitive. They were runners up in tournament for 2015 season and runners up in Super Six tournament in the 2016 season. Their success has continued in the 2017 season when they became Champions for Division II. As Division Champions, they also won the joint trophy for the Pakistan Super League (PSL) for being undefeated in 2017. They also hold the record for the highest number of runs-- totalling 457 runs in the One Day Provincial Tournament (ODP). One player, Hibaat Ullah, scored 210 runs in 84 balls!

Team owner, Yousaf Shah, is very proud of all 30 players in the Saskatoon Hampton Cricket Club. He states all players are very talented and play well. He appreciates their hard work and their success to date. Go Hampton! Go!

The Saskatoon Hampton Cricket club plays their matches in Saskatoon at Pierre Radisson Park and on the cricket pitch at the Saskatoon Forestry Farm Park. Some matches are played in Regina.

The cricket season starts in May and ends in late August. Cricket clubs play as many as 20-25 matches in one season. The annual cost to operate a club is \$10,000.00 to \$15,000.00 which includes playing in the One Day Provincial Tournament, the T20 League, as well as Super 6 and Pakistan Super League.

The Hampton Cricket Club aims to have the first women's cricket club in Saskatoon by 2018. Watch our Facebook page and website for more details. They also plan to start a youth program in schools and at the community level. As a member of the Hampton Cricket Club, Yousaf is willing to speak to anyone interested in learning more about cricket.

If you would like more information about playing Cricket in Hampton Village, contact Yousaf Shah [yousafshah312@hotmail.com](mailto:yousafshah312@hotmail.com)

### **GAME ON!**

Did you catch that change in the Adult Programming? Cribbage is no longer the only game we play! We are playing a card game called "Golf" and a board game called "Poker Dice." The latter is our current favorite as it is challenging, competitive and can be played in teams. Those who gather enjoy the games and the socializing. Do you have a game you would like to share? Come. Play games! Come to the Community Resource Room on Thursdays at 1:30. The coffee is on!
