Garage Sale & BBQ – May 11th
Slo Pitch Tournament – June 8 & 9
Carnival in the Park – June 15th

We have now returned to weekly
garbage pickup every Wednesday.

Blue Bin Recycling Pick up every
2nd Friday

Dear Hampton Village,

I am sure most of you are just as anxious as I am for this snow to melt so that we can finally get out outside to some landscaping and see our wonderful neighbors that we haven't seen in the last six months because we've all been inside our houses trying to keep warm. I do believe that in a few short weeks we will be able to enjoy some sunshine and hopefully puddles.

We had a great winter and ran a very successful indoor soccer program as well as many successful indoor fitness programs, while getting preparations underway for our Garage Sale & BBQ, Carnival in the Park and our Slo Pitch Tournament that we are holding this spring and summer.

By the time you are reading this, we will have finished our registrations for Kinder Soccer, Soccer, Fitness Programs and Flag Football. We will be running another Indoor Soccer Season in the Fall and Winter, along with Flag Football in the Fall and we always have plenty of Fitness Programs that are running. Make sure you check out our website or Facebook page to stay up to date with all of the activities that are happening.

This summer we will be doing some major renovations to the rink and the trailers beside the rink. We are looking for volunteers that wouldn't mind coming out to help. If you know a trade or can just come out and offer some help, we would greatly appreciate that. Please let me know if you are interested, I will put your name and number down so we can contact you when we have a date that we will be doing this.

I would like to remind everyone that everything done in the community is done by volunteers. No matter how big or small the event or job, we are always in need of more volunteers. Please take the time to volunteer and make a huge difference in our community.

If you have any question or would like to volunteer for an event, I would love to talk with you. You can email me at president@saskhvca.com. If you would like to attend one of our meetings, we meet every 2nd Wednesday of the month at St. Peter's School. The schedule is up on our website at www.saskhvca.com

Hampton Village Community Rink

This past winter was a major learning experience in all aspects of the rink. This summer, we will be making some adjustments to the rink and renovating one of the trailers to use as a warm up facility. We will need help with carpentry, painting, light installation, board installation, and general repairs. If you or anyone you know is willing to come out and help, we would love to hear from you.

Update from the City of Saskatoon:

"We need to make sure as a Council that next year we learn from the mistakes made regarding snow removal and grading. We got lucky over the last 3 years with good winters, this year was an example of a bad winter and that's what we as a City has to be prepared for."

The City has let the Government and both School Boards know that we are willing to put in 3 million dollars (from the lot sales that took place in Hampton Village) towards new schools in Hampton Village. The City is hoping to work with both School Boards in lobbying the Government for an announcement of a new School in Hampton Village soon.

Garage Sale Tips- Set Up & Sale Day

- Be Prepared before Start Time. Early Birds will come, if you advertise an 8:00 am start, people will arrive early (7:30).
- Have enough tables to display your items, if you don't have sturdy tables, set out a clean blanket on the ground to lay your items on. Don't bunch things in boxes. The more items on display the easier it is for buyers.
- Take the time to organize: Keep all glass items together, collectibles together, books and magazines together, toys together, etc. You can use shallow boxes, baskets or tubs to hold glassware (helps prevent them from falling off the table & breaking).
- Clothing is best sold if hung neatly on a rack (a broom stick between two ladders works) and price clearly.

Garbage & Grass Collection

Weekly garbage collection will resume the first week in April.

Unbagged grass/leaves cannot be put in Garbage cans.
