Weekly Garbage
Collection
Starting April

Hello Hampton Villagers,

I hope you are all enjoying the unique weather fluctuations this year. I know I can appreciate a break from the constant -30 degrees that we often get. It does mean more dirty vehicles in the neighbourhood but at least we can get out and enjoy a walk on our park paths.

I would like to take this time to let you know what your Hampton Village Community Association has been up to lately.

First of all, we have a very small group of volunteers working very hard to charge ahead and accomplish the goal of building a great neighbourhood. We were hoping to have a temporary rink this winter but unfortunately were not able to pull it together. We did, however, secure a **permanent** spot on Hampton Circle for the rink next year. We have some funding from the City of Saskatoon and will be working on more sponsorship/ fundraising throughout the year.

We have hosted a pilates class (a big thanks to Regan for doing such a great job), are planning more fitness type classes, rolling out a kinder soccer program, and planning for our 2nd annual community garage sale/bbq.

To make all of these events successful, we need your help. If you can donate any amount of time to making your neighbourhood better, then please contact us. As our community is new and growing we have the opportunity to start some great things.

I look forward to seeing us grow throughout 2011 and look for our full newsletter coming out in April.

Sincerely,
Matt Ingrouille
