Dear Hampton Village,

With the days getting shorter, our summer is slowly coming to an end. I would like to welcome you to our Fall 2012 newsletter. Please take a moment to take a look at all of the information we have gathered for you.

I would like to thank everyone who came out to support our Carnival in the Park and our Rib Night Fundraiser. Both events were a success, raising a combined amount of over \$5000 for our rink. Thank you to all of our amazing volunteers that came out and made the morning amazing for all of the kids that attended. Volunteers truly are the heart of our community!

Some of you may have already noticed, Hampton Village officially has an Outdoor Rink! I would like to thank John Halashewski of Toric General Contracting and his team for doing such a phenomenal job of building the rink. The rink looks amazing! I would also like to thank Troy Davies and his corporate connections for securing the donations of 2 trailers, costing \$20,000, for the rink, which will be used as a warm up shack and storage facility. Thank you so much for all of your continuous hard work.

I would like to remind everyone that everything done in the community is done by volunteers. No matter how big or small the event or job, we are always in need of more volunteers. Please take the time to volunteer and make a huge difference in our community. If you have any question or would like to volunteer for an event, I would love to talk with you. You can email me at president@hamptonvillagecommunity.com If you would like to attend one of our meetings, we meet every 2nd Wednesday of the month. The schedule is up on our website at www.saskhvca.com

I hope everyone had a wonderful summer. I urge everyone to take a look in the leisure guide; Hampton Village has some wonderful programs. I believe there is a program for everyone. I look forward to meeting many of you out at the Grand Opening of the Rink this winter!

Sincerely,
Justine McCaffrey

2012 Municipal Election Voting Day Wednesday, October 24

On October 24th, Saskatoon citizens who are eligible to vote will elect a Mayor and City Councillors for the City's ten wards. Elections for Trustees of the Public School Board's ten wards, and seven Trustees for the Catholic School Board will also be held.

If you are unable to vote on Election Day, October 24, you may vote at the advance polls being held at various locations from October 13-20.

Watch for the **Saskatoon Voters' Guide** which will be delivered to your home with the *Sunday Phoenix* on October 7. In addition to details on where, when, and how to vote, the Guide includes ward maps and candidate profiles.

Free ride Saskatoon Transit coupons are available for travel to and from the advance and regular polls, and can be found in the Voters' Guide or the City of Saskatoon website.

NEW FOR THE 2012 ELECTION!

- Elected officials will hold office for four (4) years, as opposed to three (3) years.
- New ward boundaries have been created - this may change the ward in which you reside, and therefore, the ward in which you will vote.
- You must prove your identity and address prior to voting.
- Citizens who will be away from the city during the advance polls and on election day may vote by mail.

Visit **www.saskatoon.ca** for all the information you need regarding the 2012 municipal and school board elections or call 975-3240.

What has HVCA been up to?

We have had a busy year so far! Beginning in April with our Easter Extravaganza; with over 300 people in attendance for our delicious pancake breakfast, Easter egg hunt, and children's activities. A special thanks to Pam & Jessica for organizing this event.

We continued on with our

3rd Annual BBQ & Garage Sale; yet another success! Our great volunteers flipped over 500 hamburgers & 400 hotdogs. We had over 30 houses

participate in our Community Garage, and tons of donation to our community table. We keep getting better every year.

June was our busiest

month yet, with our Carnival and Rib Night with in just days of each other. June 16th we hosted our first Carnival in the Park. We had an awesome turnout with over 300 kids, taking part in face painting, bouncers, games and a dunk tank. Thank you to all those who donated their time to be repeatedly dunked.

Just four days later on June 20th we had our Rib Night at Joe's Bar and Grill. We had tables full of silent auction donation, delicious Ribs, and great times.

Many, many thanks to all of the great volunteers that donated their time to making these events the success they were. We would not be the community we are without you. Because of you and the support of our community we have raise over \$6000.00 this year to be used toward the construction of our Outdoor Community Rink.

Donate your gently used clothing, bedding, linens, shoes, boots, and small household items such as books, knick-knacks, dishes, etc.

Drop your items off to us at these convenient locations:

1302A-Alberta Ave (behind Cosmo Industries)

Donation Station Centre at Avalon Mall...2605 Broadway Ave (south end).

Or call us at 477-2171

Your donation supports people with intellectual disabilities and their families throughout the province.

OUR WARD. OUR VOICE.

I am running again to be our next Ward 4 City Councillor.

In 2009, I was humbled when thousands of Ward 4 and Hampton Village residents put their trust and confidence in me with their vote.

Over the past few months, hundreds of our Hampton Village neighbours have shared their concerns with me on their doorsteps and in the community. The concern shared most often has been the urgent need for the new schools planned for our neighbourhood.

As our next Ward 4 City Councillor one of my top priorities will be to help facilitate the construction of our new schools as soon as possible. In the meantime I will work to ensure the safety of students having to travel to schools outside of our neighbourhood.

Please feel free to contact me at anytime - if you have any questions, concerns, or would like to talk about the issues important to you.

I am asking for your support and your vote on October 24th.

As our next City Councillor, I promise to work on behalf of **OUR WARD**, ensuring **OUR VOICE** is heard at City Hall each and every day over the next four years.

A handwritten signature of Sean Shaw in black ink.

Hampton Free Methodist – Building Community

An exciting new building is being built on McClocklin Road. This building will house Hampton Free Methodist Church (formerly known as Saskatoon Free Methodist Church) and will serve as a hub of activity for the Hampton community.

As the church congregation transitions to Hampton Village, Keitha Slack, pastor of the church, says they look forward to becoming a part of our diverse community, "Everything we are focused on, our goals and our mission are centred around building community connections with and for the people in our new neighbourhood".

The church will have an open door policy, where community events such as sports registration, fitness classes and community meetings will all occur under one roof. Pastor Keitha went on to say, "We want to partner with the community and in turn have the community partner with us in the continuation of Hampton's warm neighbourhood." Building will begin this fall and is scheduled to be complete in the summer of 2013. In the meantime, the Hampton Community Church will be meeting on Sunday mornings at Dundonald Public School as of September 9th 2012 at 10:30 am.

If you are interested in learning more about the church or sharing ideas on how the church can benefit you and your family, contact the church at office.sfmc@sasktel.net or 306-242-4500.

While waiting for the new building to be completed, Hampton Free Methodist Church will be meeting on Sunday mornings at Dundonald Public School as of September 9th 2012 at 10:30 am.

All are welcome.

Rink Update

Get ready to strap on your skates!! John and his crew have officially started the construction of the rink, boards are up and the ground is leveled. There are still many hours left before completion, but the Rink will be operationally for this winter season. We have had 2 trailer donated to our community. One will be a warm up shack, for those brisk winter days.
