## HVCA RINK IS OPEN FOR WINTER FUN!

The cold weather has been great for getting an early start to skating and hockey this season. We know several community members who are very happy to see the rink ice. A flooded rink can only happen with dedicated volunteers. If you can volunteer to help maintain the ice email:

[president@saskhvca.com](mailto:president@saskhvca.com)

Another way you can help is to notify HVCA if you see the red trouble light on the rink shed illuminated. Post a message **as soon as possible** on our

Facebook page to notify all board members so we can respond to the emergency notification.

[www.Facebook.com/hamptonvillage](https://www.facebook.com/hamptonvillage) Or email [alert@saskhvca.com](mailto:alert@saskhvca.com)

If the red light is illuminated, the temperature inside the rink shed has dropped. At low temperatures the water line could freeze, eliminating our access to water for rink flooding. The rink and rink shed in Al Anderson Park belong to HVCA—you and me. We all need to look after it!

The rink is for everyone. Thursdays from 6 - 8 and Saturdays and Sundays from 2 - 4 are set aside for public skating times. During these hours, no hockey sticks or pucks are allowed on the ice. HVCA board members will be in attendance during public skate times to ensure everyone has an opportunity to have fun on the ice! Public skating times begin in mid December and run to mid March, weather permitting. If the temperature is -25 or lower (with wind chill), there will be no public skating. It is also important to note, if the temperature is too warm, we ask people not to skate as this too will damage the ice. Thanks! See you at the rink!

From the Councillor's desk...

Hampton Village continues to make strides forward as new businesses open in the neighbourhood. Make sure to visit the new Pink Cadillacs and Dollarama who have invested in Hampton Village. Opening this spring is Tim Hortons, 7-11 Gas Bar, & Dairy Queen. There will be more announcements coming for that area in April 2019.

The Eagles Landing Business Park hosted a media event in October announcing their intentions for development that includes a gas station, major sports facility, and an outlet shopping mall. This is a multi-year plan that I hope comes to fruition. My focus is to help them be successful by offering my support if anything is needed from the City.

## Hampton Free Methodist Pastor is relocating

*Best Wishes to Pastor Keitha*

Rev. Keitha Ogbogu recently announced that she has accepted the lead pastor position at West Springs Free Methodist Church in Calgary, effective February 1, 2019. Pastor Keitha has led the Hampton Free Methodist congregation for the past 10 years, including the move to Hampton Village. Keitha has taken the approach that a church is not just in a community but must be part of the community. Even prior to the opening of the church in Hampton Village she developed a relationship with the Hampton Village Community Association (HVCA), attending their meetings and presenting plans for the new building well before construction started. HVCA events are regularly announced in the church bulletin and she encourages members to participate as much as possible. She also encouraged the church to open its facilities to the neighbourhood, with the result that HVCA, the city, condo associations, Boys and Girls Club, and many families use the space on a regular basis. Church programming was developed to reflect the needs of the community with a pre-school and play group for young children, craft days for home businesses, an international emphasis to welcome newcomers to Canada, as well as study groups for those interested in the Christian faith. Her leadership has made Hampton Free Methodist Church a part of the community. We will miss her, her husband C.Y., and their sons Samuel and Emmanuel. Thank you Keitha, and we wish you the very best in your new leadership role in Calgary.

## St. Lorenzo Ruiz Catholic School Information

The school year is racing along! It is hard to believe that we are already preparing for Christmas at St. Lorenzo Ruiz School. The past few months have been rewarding as we have come together as a community of faith and learning. Our students continue to be involved in creative learning in and outside of our school and community. They are enhancing their skills as 21<sup>st</sup> Century Learners with a focus on grit and a growth mindset. To keep up with what is happening at our school, you can go to our website, <https://www.gscs.ca/studentsandfamilies/schools/LOR> where you will find a yearly calendar and our monthly newsletters.

Our Kindergarten Open House is on January 24<sup>th</sup> and 25<sup>th</sup> from 9 – 10:30 am. If you, or someone you know, has a child that will be 5 years of age by the end of January 2019, come and see what our Kindergarten program offers.

On behalf of the staff at St. Lorenzo Ruiz Catholic School, I want to take this opportunity to wish you and your family the gift of faith, the blessings of hope and the peace of His love this Christmas season and throughout the New Year.

God Bless

## Hello from the Community Association!

Our Board is comprised of 14 dedicated individuals who volunteer their time to improve the quality of life for themselves and others in the community. I am grateful to our community members who volunteer their time and effort to bring our community together through programming and events.

I'd like to take this opportunity to welcome some new board members to our team. Barb is joining us as our new Treasurer, Kristy as our new Secretary, and Demi fills the much-needed role of Kindersoccer Coordinator. Prior to Demi joining our team, fall Kindersoccer programming had to be suspended (as there was no one to run it.) Kelly, who has served on our board for several years, is now taking on the new role of Online Registration and Membership Coordinator. Liisa, previously a Member at Large, has taken over Kelly's role as Adult Program Coordinator.

While our board has a nice mix of community members, we still need an Allocations Coordinator, Daytime Program Coordinator, Child & Youth Program Coordinator, and three Members at Large. Joining our board as a Member at Large is a great way to see what we are all about before committing to a specific role.

### Updates from the Hampton Village Community Association:

#### Rink:

Our Rink is now operational for the year. If you are interested in helping with flooding, shoveling or supervising public skate times, please email Cinthia at [president@saskhvca.com](mailto:president@saskhvca.com). Public skating (no pucks or sticks) occurs three times a week. Come out and skate with your family on Thursdays from 6 – 8 PM or Saturday/Sunday from 2 – 4 PM. Public Skating, weather permitting, begins December 15 and ends on March 17.

#### Winter Program Registration

**Online Registration** for winter indoor programming begins **Sunday, December 15<sup>th</sup>**. **In person registration** will also be offered on **January 8<sup>th</sup>, 2019** at the Hampton Schools.

While a small number of program spots will be set aside for participants who prefer to register in person, registering online will ensure your spot is reserved in the program of your choice.

#### Hampton Village Winter Carnival

The Hampton Village Winter Carnival is scheduled for Sunday, February 10<sup>th</sup>, 2019 from 1-4PM. This carnival is being planned by the Ernest Lindner and St. Lorenzo Parent Councils with support from the Hampton Village Community Association and Tykes and Tots Childcare Centre. A combination of indoor and outdoor activities are planned. It should be great fun! Watch our Face Book page for more information.

As always, please visit our website at [www.saskhvca.com](http://www.saskhvca.com) or our Face Book page for the latest community association and civic news.

Best in the New Year,  
Cinthia

On September 8, 2018 the Hampton Village Community Association decided to try something new: showing a movie in the park. "Cinema Under the Stars" was a huge success with over 1000 people attending the film and/or fun and free activities.

A big thank you to our volunteers! We are a 100% volunteer powered organization. Without volunteers events like this would not be successful.

**Thank you to our sponsors** for their support of this event:

Fresh Air Cinemas, Grandview Homes Ltd., Madison Avenue Group, SIGA, and King's Castle.

We would also like to thank Pink Cadillacs for their gift card donation to our photobooth.

Planning for next year's "Cinema Under the Stars" is already underway!

Mark your calendars for **Saturday, September 7<sup>th</sup>, 2019.**
