

What each Youth will receive at a YAS 2019 Regular Main Camp, not at anyone else's

An award-winning 30 to 35 hours of our “quick and smart” skills development program developed by and headed by professional “A” certified teachers who are also highly-accomplished basketball coaches who know how to make learning rewarding and FUN.

Small group and individualized attention for each youth due to narrow age ranges of camps (2 years), low youth to staff ratios, and a maximum 24 youths in the age group.

A wide range of weekly camps' choices throughout July and August.

Air conditioned gyms. Lots of free parking near the gyms.

Use of state-of-the-art leather basketballs all day every day supplied by Wilson Sports. The same basketballs used for games in the NCAA “March Madness” Tournament. YAS owns 350 NCAA Wilson basketballs in official sizes (7, 6 and 5). Youths do not have to bring their own basketballs.

Daily nutrition motivational mini-lessons (10 minutes) taught by sports nutrition experts.

A multi-screened numbered camp jersey immediately upon their registration.

Upon graduation from camp, a special-grip shot-development basketball to keep.

Upon graduation from camp, a Young Athlete Saskatchewan graduation medallion.

Upon graduation from a camp, a special invitation to return to YAS on Friday evening and Saturday morning and afternoon August 23 and 24 (or Saturday only) to be placed on a team for the popular IRONMAN Tournament. The “Ironman” will be two age-class tournaments at the same time, U 16 and U 13, in which every player will be placed on a balanced team to play equally in 8 games with 2/3 floor time in each game. Every player will received a medallion for finishing the Ironman Tournament as: FINALIST, CONSOLATION WINNER, or CHAMPION.
