

Hampton Village

COMMUNITY ASSOCIATION

Hello Hampton Residents and Businesses:

Christmas is usually a time of celebration. However, for some families it is a financial struggle. This year the Hampton Village Community Association, in partnership with St. Lorenzo Ruiz Catholic School and Bridge City Bible Church, will be collecting donations for Christmas Hampers to help three families in Hampton Village. Our goal is to help provide food for meals and gifts during this time.

All donations can be made to the Hampton Village Community Association. Cash or cheques can be dropped off at the main office of St. Lorenzo school. Alternatively, donations can be made in person to Dave Cornelius, information is found below. Donations can be made anytime between November 1 and December 7, 2018. The HVCA is unable to issue charitable receipts.

This is an opportunity to show that we care about all families in this great neighbourhood. For more information about the Christmas Hampers, please contact Dave Cornelius (306)261-9218 or davecornelius.yxe@gmail.com

Thank You,

Hampton Village Community Association
