COMMUNITY ASSOCIATION

“Return to Play” Protocols for Hampton Village Community Association

Introduction

The Hampton Village Community Association (HVCA) would like to thank the community for its cooperation, understanding and patience as we “Return to Play” this fall. Our goal is to promote a sense of community and enrich the quality of life in the area, and the well-being and safety of our community is of utmost importance. We have been working hard to put the below protocols in place that meet or exceed current Public Health Orders. ***These protocols are subject to change based on Provincial Public Health Orders.***

On August 17th, 2020, the Saskatoon Public School and Greater Saskatoon Catholic School Divisions (GSCS) announced that they are not allowing any rentals in their facilities until December 31st, 2020. The vast majority of our programming, events and meetings are run out of our community school. Therefore, some of our programs have been paused for this season. Keep watching our Facebook page and website for more information on specific programs, events, and meetings.

For up to date information, or if you have any questions, comments, or concerns, please visit our website and/or Facebook page:

Meetings

- Our Board Meetings are held on the second Wednesday of each month, from September through June, and Hampton Village residents are always welcome to attend. Since April 2020, we have been holding virtual meetings, and will continue to do so until restrictions are lifted.
- Our Annual General Meeting (AGM) is tentatively planned for October 14th, 2020 and will also be held virtually. We encourage Hampton Village residents to attend.

Program Registration

- Registration will be completed online only.
- Refunds, if applicable, will be issued via PayPal.
- Class sizes have been altered to meet or exceed current restrictions from the Government of Saskatchewan.

In-person Attendance

All instructors, coaches, parents, spectators, and volunteers must be in good health with no possible COVID-19 symptoms, and CAN NOT attend any in-person HVCA programs, events, or meetings if:

- They exhibit any COVID-19 symptoms including, but not limited to:
 - Fever, cough, shortness of breath/difficulty breathing, sore throat, runny nose.The Government of Saskatchewan tool on self-assessment is a good resource: <https://www.saskatchewan.ca/government/health-care-administration-and-provider-resources/treatment-procedures-and-guidelines/emerging-public-health-issues/2019-novel-coronavirus/covid-19-self-assessment>
- They are currently being tested for COVID-19 or have tested positive for COVID-19 (and have not subsequently been retested and been confirmed not to have COVID-19).
- They, or anyone in their household, has been in contact with someone they know is being investigated or confirmed to have tested positive for COVID-19.
- They have returned to Canada from outside the country (including USA) in the past 14 days.

HVCA Responsibilities

- Provide masks, hand sanitizer, gloves, disinfectant, and paper towels to instructors.
- Provide masks to participants and spectators. At this time, we have decided not to increase our programming costs to participants. However, participants and spectators are encouraged to bring their own masks to cut down on our costs.
- Work with the GSCS to implement signage to encourage physical distancing, improve traffic flow and reiterate health guidelines at entrances, if not already present.

Program Instructor Responsibilities

- Instructors and coaches will be required to wear masks. During outdoor programming, an instructor can choose to not wear a mask as long as they are able to maintain at least 3 meters physical distance from the participants.
- Instructors will disinfect doorknobs and frequently touched surfaces, before and after each class.

- Instructors will reinforce health guidelines by administering a health and travel questionnaire at the beginning of each class.
- Instructors will keep consistent attendance records, with accurate contact information (phone numbers, email addresses) of all participants. This information will be kept confidential but may need to be shared in the event that contact tracing is needed.
- Instructors will provide hand sanitizer to participants and parents/spectators before class, and hand sanitizer will be available during the class.
- Instructors will ensure that participants are maintaining a physical distance of at least 3 meters for the majority of the class. For indoor fitness classes (Bootcamp, Zumba, etc.), physical distance of 4 meters must be maintained.
- Follow protocols as outlined in the “In-person Attendance” section.

Program Participant & Parent/Spectator Responsibilities

- Follow protocols as outlined in the “In-person Attendance” section.
- Participants MUST sanitize/wash their hands as they enter the program space.
- If physical distance cannot be maintained for an extended period of time (e.g., lifts in Cheer), masks will be required by the participants.
- Spectators are discouraged; however, for children 5 years old and under, parents are required to remain on site (in building or outside).
- If parents are staying on site, they will be required to wear a mask. During outdoor programming, a parent can choose to not wear a mask as long as they are able to maintain at least 3 meters physical distance.
- Only one parent per child should be present. Sibling attendance is strongly discouraged.
- If a parent will be volunteering to assist with the class, they will be required to wear a mask.

Program Postponed/Cancelled

- If there is a positive case of COVID-19 confirmed in a class, the program will be postponed for 14 days, or in the case of many programs, will temporarily move online. There is no guarantee that cancelled classes can be made up. Participants will be encouraged to self-monitor and get tested for COVID-19.
- If a program is cancelled for the season, programs that cannot move online and are less than 50% completed will be refunded for the remainder of the classes. If the season is more than 50% completed, we will not issue any refunds.
