Fall Programs	8

## We are back!

HVCA now has permission to, once again, run programs and host activities in Hampton Village! This is possible for multiple reasons: the government has lifted restrictions, the Catholic School Board has opened their building for our use, and, finally, we have two volunteers who have taken on key roles to make programming possible. Please join us in welcoming Morgan, our new Adult Program Coordinator, and Hillary, our new Child and Youth Coordinator. We are 100% volunteer powered and, without these two new volunteers, we would not be able to offer programming this year. Please see page 8 for a complete list of programs we are offering. Some programs will still be held by Zoom but many are face-to-face! Please note registration for the fall programming opens on **Sunday, August 22 at noon**. Sadly, we cannot currently offer Kinder Soccer as we have no Kinder Soccer Coordinator. If you would like to volunteer for this position please contact Dave at [president@saskhvca.com](mailto:president@saskhvca.com)

The majority of our programs take place at our neighborhood Catholic School, St. Lorenzo Ruiz. The Catholic School Board has set out specific guidelines for our use of their facilities. HVCA will comply with these guidelines and protocols to keep all participants safe. Participants must adhere to the following guidelines to participate in programming.

Participants are **NOT** allowed to enter the school building:

- If they are experiencing COVID-19 related symptoms (including Fever, Cough, Shortness of Breath/Difficulty Breathing, Sore Throat, Runny Nose);
- If they have returned to Canada from outside the country (including USA) within 14 days of attending the program in which they are enrolled;
- If they are being tested for COVID-19 or have tested positive for COVID-19 (and have not subsequently been retested and been confirmed not to have COVID-19); or
- If they, or anyone in their household has been in contact with someone they know is being investigated or confirmed to have tested positive for COVID-19 in the 14 days prior to attending an HVCA program

All participants will be required to use hand sanitizer when entering the facility. HVCA will ensure hand sanitizer is prominently displayed and readily available for all participants. Certain programs may also request the use of masks to provide additional safety to participants. HVCA will make these available to participants. HVCA will also ensure all high touch surfaces are regularly cleaned to further ensure the safety of all participants.

Our Annual General Meeting will be held in person on Wednesday, October 13th. Pizza will be available from 6:00 pm, with the meeting beginning at 6:30. Save the date! More details are on page 5.

We are also hopeful that we will once again host Pumpkins in the Park on November 1st. Watch our Facebook page for details.
