COMMUNITY ASSOCIATION

“Return to Play” Protocols for Hampton Village Community Association

Introduction

The Hampton Village Community Association (HVCA) would like to thank the community for its cooperation, understanding and patience as we “Return to Play” this fall. Our goal is to promote a sense of community and enrich the quality of life in the area. The well-being and safety of our community is of utmost importance. We have put the protocols below in place that meet or exceed current Public Health Orders. **These protocols are subject to change based on Public Health Orders and/or facility rental agreements.**

If you have any questions, comments, or concerns about any of the “Return to Play” Protocols, please send an email to: contact@saskhvca.com.

For up-to-date information on HVCA programs and meetings, please visit our website and/or Facebook page:

In-Person Attendance

The HVCA will primarily run in-person programming and meetings out of two rental facilities: our neighbourhood school at 1055 Hampton Circle, and the Hampton Free Methodist Church at 2930 McClocklin Road.

- All attendees (participants, spectators, instructors/coaches, and volunteers) are **NOT** allowed to attend any in-person HVCA programs or meetings if any of the following may be applicable:
 - They are experiencing any COVID-19 related symptoms including, but not limited to: fever, cough, shortness of breath, difficulty breathing, sore throat, runny nose, vomiting.
 - They are being tested for COVID-19 or have tested positive for COVID-19 (and have not subsequently been retested and been confirmed not to have COVID-19).

- They, or anyone in their household, have been in contact in the last 14 days with someone they know is being investigated or confirmed to have tested positive for COVID-19.
- They have returned to Canada from outside the country (including USA) within the past 14 days.
- We encourage all attendees to utilize the COVID-19 Self-Assessment tool on the Government of Saskatchewan website prior to attending:
<https://public.ehealthsask.ca/sites/COVID-19>
- All attendees are required to sanitize their hands as they enter the rental facility.
- Since COVID-19 spreads from an infected person to others through respiratory droplets and aerosols, we recognize the importance of wearing a mask to protect yourself and others. Therefore, all in-person attendees are required to wear a mask while inside a rental facility.
 - Once an evening Child & Youth sport program has started, a **participant** may choose to remove their mask, however, only while **actively engaged** in the program. After the program is over, masks must be put back on.
 - All other attendees, including spectators and instructors/coaches, **must** keep their masks on for the entire time they are in the rental facility.
- If an attendee tests positive for COVID-19 after recently attending an in-person HVCA program or meeting, we strongly encourage them to notify the HVCA or the instructor/coach as soon as possible. The identity of the positive individual will be kept confidential.

Program Participant & Parent/Spectator Responsibilities

- Follow protocols as outlined in the “In-person Attendance” section.
- Spectators are discouraged; however, for children 5 years old and under, parents are required to remain on site (in building or outside).
- Only one spectator per child should be present. Sibling attendance is strongly discouraged.

Program Instructor/Coach Responsibilities

- Follow protocols as outlined in the “In-person Attendance” section.
- Disinfect doorknobs and frequently touched surfaces, before and after each class.
- Ensure hand sanitizer is prominently available to participants and parents/spectators.
- Provide masks for attendees who did not bring their own.
- Reinforce health guidelines as outlined in the “In-person Attendance” section at the beginning of the first class.
- Instructors will ensure that participants are maintaining a physical distance of at least 3 metres for the majority of the class, where possible.

HVCA Responsibilities

- Follow protocols as outlined in the “In-person Attendance” section.
- Disinfect doorknobs and frequently touched surfaces, before and after each class.
- Provide masks, hand sanitizer, disinfectant, and paper towels to program instructors/coaches.
- Work with the rental facilities to implement signage to encourage physical distancing, improve traffic flow and reiterate health guidelines at entrances, if not already present.
- Inform any in-person attendees of an identified positive case of COVID-19.

Program Registration

- Registration will be completed online only.
- Refunds, if applicable, will be issued via PayPal.
- Class capacities have been altered to allow as much physical distancing as possible.

Program Cancellation

- If there is a positive case of COVID-19 identified in a class, the instructor has the option to either cancel a class or temporarily move online. There is no guarantee that cancelled classes can be made up.
- If a program is cancelled for the season, programs that cannot move online and are less than 50% completed will be refunded for the remainder of the classes. If the season is more than 50% completed, we will not issue any refunds.
