## COVID Policies for our Spring Programs (April—June, 2022)

The Hampton Village Community Association wants to bring people together and keep people active—*safely*.

COVID spreads from an infected person to others through respiratory droplets and aerosols. No one "single" precaution will *stop* the spread of COVID when people get together for sports & recreation, but each step we take helps to *minimize* the spread. We appreciate your understanding and cooperation as we strive to achieve this goal.

1. Masks are **STRONGLY** encouraged at all times for everyone. On request, medical-grade masks can be provided.
2. Everyone must hand sanitize upon entering the facility.
3. Do not come to the program if you:
  - have COVID
  - have COVID symptoms
  - have had close contact with a COVID positive (or COVID suspected) person or
  - are currently being tested for COVID and are awaiting results.
4. Wherever practical, stay 6 feet away from others.
5. After a program, if you develop COVID symptoms and/or are told that you were a close contact of a COVID positive person, you **MUST** let us know so that we can determine if there was a risk of transmission to other participants. Your confidentiality will be respected.
6. Additional COVID precautions may be added to specific programs, based on risk.
7. Cards, Games & Coffee requires participants to wear masks at all times, unless eating or drinking.
8. Youth Soccer (U5, U7 & U9) - This soccer program is a partnership between the Community Association and SYSI. In addition to our COVID protocols, all SYSI COVID protocols for participants and parents must be followed. The Soccer Coordinators will share this information with participants/parents.
9. NOTE: Our COVID policies may change as the situation and rules change.
10. *Questions?* You can reach us at: [contact@saskhvca.com](mailto:contact@saskhvca.com)

All residents of Hampton Village are welcome to attend board meetings.  
**Our next meetings are April 13th, May 11th, and June 8th** and will be held online.  
To attend please email: [secretary@saskhvca.com](mailto:secretary@saskhvca.com)

### **Jane's Walk in Hampton Village**

<https://janeswalksaskatoon.ca/>

Jane Jacobs (1916-2006) was a writer, urbanist and activist who championed the voices of everyday people in neighbourhood planning and city-building. "Jane's Walk" was founded in 2007 as a living, walking commemoration of Jane, her legacy and her influence. A "Jane's Walk" is developed and lead by volunteers who want to celebrate the beauty they see in their community. These walks take place around the world on the first weekend in May, as close as possible to her birthdate on May 4th. This year the walks are on **May 6, 7, & 8**. See the website for a complete list of walks in Saskatoon.

*Jane Jacobs said: "No one can find what will work for our cities by looking at ... suburban garden cities, manipulating scale models, or inventing dream cities. You've got to get out and walk."*

The Hampton Village Community Association is proud to participate in this year's "Jane's Walk". The title of our walk is "The Namesakes of Hampton Village." Although one of the newer areas in Saskatoon, the streets and parks in Hampton Village honor many of Saskatoon's earliest families— names which you will still recognize. Come and walk with us and learn more about these Saskatonians on this ~ 4.5 km virtual (online) walk.

# Hampton Village Community Clean-Up

**Saturday, May 14th**  
**10 am - 1 pm**

Check in between 9:30-10 am  
**Hampton Free Methodist Church**  
2930 McClocklin Road

Bring your family out to help clean up Hampton Village!

This year the Hampton Village Community Association is joining the Meewasin Clean-up Campaign to help make Saskatoon shine.

There will be prizes for families and groups that pre-register to participate.

Email: [contact@saskhvca.com](mailto:contact@saskhvca.com) to sign up!

Community that sells the most tickets wins the grand prize: a community basketball game on the Rattlers court at the SaskTel Centre! **Tickets starting at \$20**

**Theatre in the Park 2022****wâhkôhtowin****MAY 4 - JUNE 3****FREE****ALL WELCOME****sum**  
THEATRE**AL ANDERSON PARK****7:00PM THURSDAY MAY 12****MORE INFO AT****[sumtheatre.com](http://sumtheatre.com)**Canada Council  
for the Arts    Conseil des arts  
du CanadaCity of  
Saskatoon

Sum Theatre and HVCA invite you, your family, and your friends to Theatre in the Park! Every summer, Theatre in the Park visits local parks across Saskatoon, performing an original play and creating fun community-building events. This year's play highlights the importance of community by drawing on the Cree teaching of wâhkôhtowin, which refers to the relationship and kinship between all things.

The show is free for everyone - there are no tickets - all you need to bring is a blanket or something to sit on.

**We hope to see you in Al Anderson Park at 7:00PM on Thursday, May 12th.**

More information will be made available at [sumtheatre.com](http://sumtheatre.com)

## Did you know...

### 1. You can report streetlight outages?

Saskatoon Light and Power (SLP) owns and maintains the City's street light system. Lights on arterial and collector roads are patrolled on a regular basis, but, with responsibility for more than 27,300 lights around our city, SLP needs our help to identify the problems in our area.

Use the [street light outage map](#) to notify SLP of a street light outage.

### 2. There is a Public Information Session about a Dog Park for Small Dogs?

Check out the City's Engage Page for more information and for a link to a Survey that is open until Monday, April 25<sup>th</sup>.

<https://www.saskatoon.ca/engage/dog-parks-small-dogs>

### 3. About the City's Engage Page?

It's a great place to find information on the many different projects being planned, including how you can give your input. Maybe you are interested in the Dundonald Avenue Solar Farm or the proposed complete re-do of the College Drive "corridor". This is the place to learn more!

<https://www.saskatoon.ca/engage>

### **Update for Ward 4 residents**

**Hampton Village Business Park** – Kahkewistahaw First Nation has started their land developments and have already begun construction on the new FSIN Main office and gas station / convenience store. They will continue to build more amenities on this land development moving forward. DREAM also submitted a report to Council to approve a car wash in the Hampton Village Business Park.. If approved, it should start this spring. We will be looking to add a grocery store!

**Claypool Drive** – This winter we had record amounts of snow and continued to see issues with Claypool Drive. I have met with our Public Works Managers on this and they have committed to a solution to this for next winter. We cannot have a major artery of our transportation for this neighbourhood shut down for any period.

**Transit Issues** – This winter we had several transit runs cancelled during our colder days. City Council has been working with ATU (transit union executives), and our city administration on a plan to ensure this does not happen again next year. Several changes are in the works by Transit administration and City Council expects them to have all buses running daily moving forward.

**Snow blowers for Ward 4 Outdoor Rinks** – I want to thank Canadian Tire for collaborating with me on a winter recreation strategy for Ward 4 neighbourhoods. Through my communications allowance we were able to purchase 5 new snow blowers for each outdoor rink in Ward 4. I am happy to hear that Hampton Village rink will be operational next winter!

**Masks on City buses and in City buildings** – As of March 14, 2022, mandatory masks are still required when entering a city building or riding transit. I voted against this when the Provincial Health Order was removed, as I do not believe we have the resources to enforce this and can see this as an escalating problem. However, I lost the vote. This mandate will be reviewed on a monthly basis.

**Downtown Entertainment District** – I was happy to be selected Co-Chair for the Downtown Entertainment District Advisory Committee. This committee will oversee the New Arena, TCU Place enhancement, and Bus Rapid Transit project for the downtown. The number one issue is finding the funding resources to complete these projects without the use of taxpayer dollars. Several cities across North America have been able to do this. We are using their best practices to devise a plan for Saskatoon. There will be significant public reporting on this as the project moves forward.

**School Zone Speed Limit Time Changes** – City Council approved the proposed amendments to the Reduced Speed Zones for Schools Policy and a new draft policy for Playground Zones to include year-round speed reduction to 30 km/h daily from 7 a.m. to 7 p.m. The goal is to have the zones in effect prior to the new school year on September 1, 2022. The recommendation would align the City's school zone policy with national transportation guidelines and implement other best practices for pedestrian safety. The amendments include: 1. New playground speed zones with reduced speed limit of 30 km/h; 2. Year-round lower speed limits in both school and playground zones 7 days a week from 7 a.m. to 7 p.m. 3. Adjustments to posted signs and length of current school zones; and 4. Removal of lower speed school zones from high schools, designating them as a "school area" where U-turns are still restricted. More information is available at [saskatoon.ca/engage/speed-limit-review](https://saskatoon.ca/engage/speed-limit-review). I voted against this as I did not see this as a pressing problem that needed to be solved but lost the vote 6-5.

To register, please drop off forms at the church office.

### Saturday, April 30th

**10 am to 3 pm**

**Come out and shop local!**  
**HFMC Bake Sale Fundraiser**

## Volunteer Appreciation Week – April 24th – 30th , 2022

Volunteering – helping others – has always been a part of the way of life in Canada. Every year, Canada declares a week in April “*National Volunteer Week*” to celebrate and thank Canada’s 12+ million volunteers. “Volunteers Bring Heart to Canada’s Communities” is this year’s theme. “From coast to coast to coast in formal and informal settings, volunteers create caring, collaborative, and compassionate communities. During National Volunteer Week 2022, the contributions of Canada’s millions of volunteers are celebrated: their actions, their understanding, and their genuine concern for the world around them. Volunteering, putting empathy into action, can build communities where people feel happier, healthier, and more welcome – creating a stronger, more connected Canada.”

*Thank you to everyone who volunteers in Hampton Village—  
you make a difference!*

## HVCA Annual General Meeting (AGM)

### Wednesday, October 12, 2022

The HVCA is a non-profit organization and, as such, we are required to report annually to the community we serve. Updates from the treasurer and other coordinators are provided as part of this meeting. Elections are also held during this meeting. Each board position is a two year term with some positions ending in odd years and some in even years. One position that is currently vacant is the President's position. Are you a leader? Do you have good organizational skills? Can you chair meetings ? Maybe this position is for you!

New members bring fresh ideas and enthusiasm. The HVCA Board hopes you will consider offering your skills to make things happen in Hampton Village.

More details about our AGM will be provided in the Fall Issue of the HVCA newsletter.

## Remai Modern – now “by donation” on Wednesdays!

As of February 16, 2022, admission to Remai Modern on Wednesdays will be by donation as part of a one-year pilot project. Additionally, the Remai is removing the admission charge for children and youth under 18 on all open days. Visitors are invited to pay any amount to visit Remai Modern on Wednesdays throughout the year. As part of this new structure, all donations collected on Wednesdays will be matched by the Frank and Ellen Remai Foundation. <https://remaimodern.org/>

## Nature Prescription!

Announcing a prescription from your health professional to improve your mental *and* physical *and* emotional health!!!

Sounds magical? ? Not magic, but there is plenty of scientific research proving the benefits of BEING OUT in NATURE! In fact, only 2 hours per week for 20 minutes at a time is all it takes! Talk to your health professional to get a prescription to Connect to Better Health Through Nature (your doctor, nurse, pharmacist, physio...)! We want to encourage everyone to dress for the weather and get outside ... for your health!

Visit [www.parksprescriptions.ca](http://www.parksprescriptions.ca) for more information!!

Parks prescription (PaRx) is an initiative of the BC Parks Foundation, driven by health-care professionals who want to improve their patients' health by connecting them to nature. This program is being adopted by provinces across Canada. Saskatchewan launched it in July 2021, through the work of CAPE SK (Canadian Association of Physicians for the Environment) and specifically with the help of Sehjal Bhargava and Brooklyn Rawlyk, medical students from the University of Saskatchewan and members of CAPE SK.

**PaRx SK**

Spending time in nature is healthy for you & the planet.

Side effects may include:

- Decreased anxiety
- Improved mood
- Decreased inflammation
- Mental health benefits
- Lower blood pressure
- Increased energy
- Pain reduction

Ask your doctor
