This past year was a challenging one as we dealt with the ups and downs of the pandemic. We appreciate enormously our students and parents who worked with us to maintain a safe learning environment. Although we had our challenges, we also had some amazing moments.

In February we launched a Just Read initiative called "New Year - New Reader". This program included author visits, additional books for each wing, and a reading challenge for the students. The guest authors included Brenda Baker, Arthur Slade, Lynne Reid-Banks, Christie Jordan-Fenton, and Alice Kuiper. The reading challenge was for students to read or be read to for at least 20 minutes per day. The students won prizes along the way, and we drew names for 8 students to travel to McNally Robinson where they chose a book to keep and a dessert from Prairie Ink. It was fun to see our students excited about reading. One student was so excited before going to McNally that they were unable to sleep the night before they went. They said they had never won anything before. How fun!

We are looking forward to running this initiative again next year. We are so excited to partner with the Hampton Village Community Association to make our reading initiative bigger and better. Our goal at ELS is to have all our students reading at or above grade level.

Please spread the good word about ELS to all families who are looking for a school in the fall. We are accepting registrations for all grades, including kindergarten. To register for kindergarten a child must turn 5 by January 31, 2023.

Two years of the pandemic— but we endured all the challenges thrown at us! We at St Lorenzo are excited and look forward to a “near normal” upcoming academic year.

In spite of pandemic restrictions, we finished off the last term strong! Our students showcased their learning in different ways. We were able to bring back our Wax Museum, Countries Come Alive, ME Day, FN cultural learning, field trips, and Grade 8 and Kindergarten graduations!

We have a dedicated, amazing staff here at St Lorenzo, and we are so proud that one of our very own, Mr Blair Gillies, was nominated as the C95 teacher of the year award for 2021-22!

St Lorenzo is a faith-based school where we focus on the development of the “whole child”. This includes all aspects of the child's well-being, including social-emotional, physical, creative, and cognitive capacities.

We are accepting registrations for all grades as well as Kindergarten for the Fall. If your child is 5 years old by January 31st, 2023, he/she is eligible to register for Kindergarten. To register your child at St Lorenzo Ruiz elementary school, please call 306 659 7950, stop by, or complete our online registration form on our website.

We look forward to opportunities to strengthen our partnership with the Hampton Village community.

The poster features a night sky with stars and a green field. Red curtains frame the top and sides. Two yellow stars in the corners contain the text 'Family Feature Movie!' and 'Showtime at Dusk'. The word 'CINEMA' is in large white block letters, and 'Under the Stars' is in a white cursive font. Below this, the date and location are listed. At the bottom, a white banner contains the Hampton Village Community Association logo and name, flanked by two more yellow stars with the text 'Concession (Cash)' and 'Bring a lawn chair!'.

Bring a lawn chair!

The Sum Theatre show in Al Anderson Park on May 12th was a huge success. Around 300 people attended, making it one of their largest audiences for the whole run, and certainly their biggest crowd since 2019. Sum Theatre sends A BIG thanks to HVCA for supporting Theatre in the Park!
