CITY COUNCILLOR WARD 4

"Proud to be the voice at City Council for the Community that I grew up in"

WARD 4 UPDATE

GREEN BIN'S ROLLING INTO YOUR NEIGHBOURHOODS

The majority of City Council passed the motions to implement the "Green Cart Program" which is currently underway. I did vote against this mandatory program and also voted against this being billed as a utility to taxpayers - I lost the votes.

Hampton Village should be receiving your green bin during the second week in April. Each bin will come with a kitchen pail attached to the green bin. Inside that pail is important program information and meant to be used for food scraps to transfer to your green bin. Beginning in May, a monthly average utility fee of \$6.73 will be applied to City utility bills for single-family homes. For updated information go to;

www.saskatoon.ca/services-residents/waste-recycling/organics-yard-food-waste/green-cart-program

SNOW REMOVAL PROGRAM

In two of the last three years Saskatoon has seen record amounts of snow. City Council voted to do a city-wide removal due to the amount of snow received at the end of 2022 and early 2023. Snow crews hauled 102,000 truckloads of snow, enough to fill 21.6 million green carts! The city already had a budget of roughly 14.6 million for snow clearing and removal of snow on some Priority 1 streets, school zones, and to snow blade the city roughly 7 times. The city has taken a loan to cover the 20 million dollars to remove the snow from this winter, and set up a reserve for future years. This is a 0.75 increase to the mill rate, I will be looking at cutting some current services at budget deliberations to cover this multi-year increase.

HARRY BAILEY RENOVATION

Harry Bailey Aquatic Centre is now closed for approx 2 years. The building which is now 48 years old will see a major face lift to the exterior of the building, along with upgrades to the pools, weight room, washrooms, multi-purpose rooms, and the building mechanical system. This is an approx. 20 million dollar renovation, 10 million is being paid by the Federal Governments Green and Inclusive Building program, the remaining dollars will come from the City reserve that's set aside for building upgrades.

St Lorenzo Ruiz Catholic School

It is hard to believe that we are in the planning stages for our seventh year of the school, with registering our Kindergarten students for 2023-2024 school year! For the upcoming school year, we will be offering full day/alternating day classes (either Monday, Wednesday and alternating Fridays or Tuesday, Thursday and alternating Fridays). If your child will be five-years-old before January 31, 2024, he or she can begin kindergarten in September 2023. Early registration helps us in our preliminary planning of staffing allocations.

We had a successful first half of the school year at St Lorenzo Ruiz. Our students have been working on showing "grit" and have persevered through obstacles, both in their learning and friendships! By being safe, responsible and respectful, our school community continues to build a positive, faith-filled environment where we value our unique gifts and talents.

Our Christmas Bingo was a huge success and we are now celebrating Lent with weekly liturgies. Our students have taken part in various extra-curricular activities as well! Intramurals, Volleyball, Track, Basketball, Skiing, Bowling and Swimming to name a few.

Our grade 8 students organized a "ME" Day, which was an opportunity for students to share ideas about important mental health issues they feel are affecting them today. Not only did they share information about the topics they chose, they also suggested tools and strategies to help manage their mental health issues. Our grade 6 and 7 students are currently working on an inquiry project, "Countries Come Alive."

Our St Lorenzo family continues to grow as we welcome new Canadians and families that have moved to our neighbourhood.

If you have any questions, call us at 306 659 7950. Happy Easter to you and your families!

God Bless,
M. Monteiro and K. Leschyshyn (Admin team)

Literacy Provides Opportunities.

St. Lorenzo Ruiz School has partnered with Foundations Learning & Skills Saskatchewan to provide learning and volunteer opportunities for adults, children, and families in the Hampton Village community. Check out Foundation's website for current programs and workshops:

- Supporting your Child's Reading/Writing Journey (Parent Workshops)
- Volunteer Orientation
- Family Literacy Programs
- Financial Literacy Workshops
- Adult 1-1 tutoring

Ernest Lindner School

At Ernest Lindner we strive to make all our students' daily readers. This year the Hampton Village Community Association supported a Just Read initiative called, Cozy Reads 2023. We kickstarted Cozy Reads with all students experiencing an in-person author talk. Next students participated in a 4 week reading challenge where students earned prizes for being daily readers. The highlight was taking 8 winners of the grand prize to McNally Robinson where they were rewarded with a book and dessert!

This year we are so proud to offer 25 of our students' 19 sessions of karate from Sensei Brad from Shotokan Karate. This opportunity was possible because we received a grant from Saskatchewan Association for Community Education. The target group was students who were not in any other extra-curricular activities. It was amazing to see how much our student grew over the 9 weeks! Martial arts is a great way for students to develop the skills necessary to maximize success in all areas of life!

“The Big Shred”

Saturday, May 6, 2023 - 9 am to 12 noon

at McClure United Church parking lot
4025 Taylor St. (off Heritage Way)

Protect against identity theft by safely destroying old
confidential, private, and personal papers.

At this secure site, watch as your documents:

- Old bank statements
- Tax returns (2016 and earlier)
- Utility statements
- Dated invoices, receipts

. . . are shredded in the *Shred-it* truck!

Shredding is by donation . . .

(Suggested \$10 per paper box or \$5 per grocery bag)

Proceeds will help the McClure Place Foundation in
enhancing seniors' living at Amy McClure House,
our personal care home.

Visit our generous sponsor at www.shredit.com
