

Dear Hampton Village Neighbours,

As we approach the end of the year, I want to express my heartfelt gratitude for the support of our great community. Thank you to everyone who joined us for our events this year including Cinema Under the Stars and Pumpkins in the Park, as well as everyone who enjoyed the programs offered through and in collaboration with the HVCA.

As we look to the year ahead, we are seeking volunteers to join our board to fill several important positions. Are you passionate about shaping our community's future? We have vacant positions on our board including Vice President, Secretary, Child & Youth Coordinator, Daytime Coordinator, and 2 Member at Large positions.

If we find someone to fill the Child & Youth coordinator position before February, the HVCA can offer child and youth programs next year. Your contribution is vital to the continued success of our programs.

If you're ready to make a positive impact and ensure the growth of our programs, volunteer today! Together, we can build a stronger and more vibrant community. You can reach us by emailing us at contact@saskhvca.com or join us at a monthly board meeting to learn more. Our next board meeting will be Wednesday, December 13th at 7 PM. Meetings are held in the community resource room, accessed at the Community entrance between Ernest Linder and St. Lorenzo schools.

On behalf of the board, we wish you a joyful holiday season and look forward to a collaborative year ahead!

Warm regards,
Clifton Bennett

St Lorenzo Ruiz Catholic School

We are almost at the end of term 1! It has been an exciting start here at St Lorenzo Ruiz school. Our St Lorenzo family continues to grow as we welcomed over 100 new students to our St Lorenzo family this academic year. Our students have been engaged in some exciting projects this term. Our grade 6 students showcased a wax museum, our grade 4's researched and created dioramas of different habitats. Stay tuned for our Kindergarten Open House in January.

Our Catholic School Community Council organized our first family engagement evening, a Halloween dance. The turnout was great, and we saw very creative costumes!

We continue our partnership with Foundations Learning (formerly READ Saskatoon) to engage students and families in reading, numeracy, and financial literacy. We have over 15 parents who participated in a training workshop on reading strategies. On January 29th a group of parents/ caregivers will participate in a workshop at the school : "Supporting Your Child's reading Journey." We aim at being a family-centric school and are excited to have our families engaged in their children's learning.

We are blessed to be part of the Hampton Village community and are thankful for the continued support we receive from HVCA. Your generous donation towards lunches for students who need it, is greatly appreciated. We look forward to our continued partnership.

We wish all the families in Hampton Village a blessed Advent season. May the blessings of Hope, Peace, Joy and Love fill your homes and remain with you throughout this Holy season.

Sincerely,

Maria Monteiro

SASKATOON POLICE SECURITY CAMERA REGISTRY

The Security Camera Registry is a completely voluntary program where community members (individuals or businesses) can register their security camera(s) with the SPS.

If you register your camera(s) with the Security Camera Registry, you may be contacted by the SPS to request footage you may have available, if a crime is being investigated in your area. It is up to you if you provide any footage to the SPS, and you are under no obligation to do so.

Help us keep your neighbourhood safe by registering your camera(s).

2023 - tax breakdown

VOTED "NO" TO CITY BUDGET

Ward 4 residents made it VERY clear that they were against any major tax increase for 2024 / 2025. The following is some highlights of how I voted;

- Voted NO on the final budget increase - Lost the Vote
- Voted NO on 92 budget lines to help reduce the increase - Lost 63 Votes
- Voted NO for the new black bin utility - Lost the Vote
- Voted NO for the Library tax increases in 2024/25 - Lost the Vote
- Voted YES in June, for a mandated tax increase of 4% - Lost the Vote
- Made a request to Saskatoon Police Commission and Police Chief to start tracking the data in regards to resources required around shelters. This should NOT be funded by tax dollars. Any additional resources required should be funded by the Province.
- Cost per household (Average assessed value \$344,000) will pay an additional \$10.47 in taxes in 2024.

CONSTRUCTION SITE / DEVELOPMENT ON RICHARDSON ROAD

The City continues to work through enforcement processes to have the work completed and the site cleaned up. The last remaining item to be addressed on the site are the unfinished basement developments. Building Standards is moving through the legal process to enforce compliance on this item. The next update I will be provided by the City will be the first week of January 2024.

NEAULT ROAD (DALMENY RD). CONSTRUCTION

Thanks to some great weather conditions the final paving has been completed for Neault Road. City crews will be installing regulatory signage, speed limits signage, lane designation and limited street lighting at intersections. The expectation is for this to be open at the end of December.

If you have a child who loves to create and use their imagination our Art Classes will be perfect for them. Classes are for kids aged 4-12 and are a way for children to learn to trust their ideas and follow their passion. Children will learn more about art and at the same time meet new friends that they can learn from as well. The Art Room Ink will give your kids a place to be themselves and learn about the things they love.

Kreativemum has been the go-to face painting in Saskatoon for nearly a decade. They love bringing smiles to your little one's faces at Saskatoon events. We know them and love them which is why it's so exciting that they opened The Studio with The Art Room Ink in the Fall of 2022 to spread their love of art projects. Kreative Mum is also the only retailer in Western Canada with a wide range of Professional face and body painting products in the studio's front end.

They also offer the following at the studio:

- School Break Camps
- Summer Camps
- PD Day Art Camps
- Art Birthday Parties
- Family Paint night Workshops
