## St Lorenzo Ruiz Catholic School

It is hard to believe that we are in the planning stages for our eighth year of the school, with registering our Kindergarten students for 2024-2025 school year! For the upcoming school year, we will be offering full day/alternating day classes (either Monday, Wednesday and alternating Fridays or Tuesday, Thursday and alternating Fridays). If your child will be five-years-old before January 31, 2025, he or she can begin kindergarten in September 2024. Early registration helps us in our preliminary planning of staffing allocations.

We had a successful first half of the school year at St Lorenzo Ruiz. Our students have been working on showing “grit” and have persevered through obstacles, both in their learning and friendships! By being safe, responsible and respectful, our school community continues to build a positive, faith-filled environment where we value our unique gifts and talents.

Our students learnt about the importance of prayer, fasting and almsgiving during Lent. We gathered together as a school community to pray, and supported the Friendship Inn with non-perishable donations. Our parent council (CSCC) organized an Easter Bingo which was a huge success. Our students have taken part in various extra-curricular activities as well! Intramurals, Volleyball, Track, Basketball, to name a few.

Our grade 6 and 7 students worked on an inquiry project, “Countries Come Alive” and showcased their learning. Students and families had the opportunity to tour and learn about different countries around the world.

Our school also participated in a project for Earth Day. We collected used batteries and helped recycle them. We look forward to many more exciting learning opportunities in the months to come!

Our St Lorenzo family continues to grow as we welcome new Canadians and families that have moved to our neighbourhood.

If you have any questions, call us at 306 659 7950. Happy Easter to you and your families!

God Bless,  
M. Monteiro and K. Leschyshyn (Admin team)

# HVCA SOCCER

HAVE YOU EVER WONDERED WHAT ITS LIKE TO BE A PART OF SOMETHING? TO HAVE YOUR KIDS DO SOMETHING THEY LOVE AND TO SEE THEM GROW.

HVCA SOCCER IS ONE OF THOSE PROGRAMS WHERE YOU GET TO WATCH YOUR CHILDREN GROW NOT ONLY AS A PLAYER BUT AS A HUMAN. SOCCER IS A TEAM SPORT. IT TEACHES CHILDREN TO LEARN HOW TO PLAY WELL WITH OTHERS. THEY LEARN THAT IT TAKES MORE THAN JUST ONE PERSON TO SCORE A GOAL AND EVEN TO LOSE. THAT BALL IN THE NET TOUCHES MORE THAN ONE PLAYER EVERY PLAY. TEAM SPORTS ARE A GREAT ADDITION TO A CHILD'S FREE TIME.

OUR SOCCER TEAM IS EXPANDING AS MORE KINDS JOIN OUR SPORT. WE ARE ALWAYS LOOKING FOR COACHES AND ASSISTANT COACHES.

**WARD 4 UPDATE HAMPTON VILLAGE**

**DOWNTOWN EVENT & ENTERTAINMENT DISTRICT - 10 YEAR VISION**  
**“BUILD NEW VS. RENOVATE”**

**Build New** - Currently there is NO FUNDING plan that has been approved by City Council on this project. The “Build New” model would only be possible with a third party private partner and funding from both levels of Government. I **WILL NOT SUPPORT** moving forward if tax payers are expected to cover the cost. The land has been purchased by the Saskatoon land bank for the future site, if this doesn’t move forward the Saskatoon land bank has the option to sell the land back into the market. Planning, and building a new arena takes roughly 6-8 years.

**Renovate** - This would need to occur in the next 8-10 years. This would involve closure of SaskTel Centre for a period of time. A private partner for renovations is unlikely as is funding from other levels of Government. The estimated cost for the renovation of SaskTel Centre is roughly 300 million dollars.

**HAMPTON VILLAGE BUSINESS PARK CONCEPT PLAN UPDATE**

Progress continues to move forward on the business park in Hampton Village with our two key owners of the land, DREAM and Kahkewistahaw First Nation. At the February City Council meeting, Council approved the proposed amendments to the land in the Hampton Business Park. There will be announcements coming on additional businesses coming to the Hampton Village Business park. I have met with the land owners on several occasions asking for additional amenities that include a grocery store, gym, restaurants, car wash etc...

# Menstrual Health Matters

The Family Health Lab at the University of Saskatchewan is conducting a research study focused on understanding and improving menstrual pain in youth.

To learn more about this study or participate, use the QR code below or visit:

<https://familyhealthlab.com/teenperiods>

You can also email us at:  
[family.health.lab@usask.ca](mailto:family.health.lab@usask.ca)

We are seeking youth ages 10–13, who have not yet had their first period, and a parent/caregiver to participate in this important research!

Participation involves completing a series of online surveys.

Families will be compensated each time they complete a survey!

This study has been approved by the University of Saskatchewan Behavioural Research Ethics Board (BEH 2777).

# HVCA MEETINGS

THE HAMPTON VILLAGE COMMUNITY ASSOCIATION MEETS THE SECOND WEDNESDAY OF EVERY MONTH (EXCLUDING SUMMER).
