# ERNEST LINDNER School Update

Hello Hampton Village community!

My name is Jennifer Wilde, and I'm honoured to introduce myself as the new principal of Ernest Lindner School. It has been a wonderful start to the year, and I'm grateful for the warm welcome from students, families, staff, and community partners. Our school is filled with creativity, kindness, and a powerful commitment to learning – and I'm proud to be part of such a vibrant and caring community.

This fall has been full of meaningful learning experiences. As a school, we began the year with a focus on community, and reconciliation. Students engaged in conversations about belonging, responsibility, and caring for the land and for one another. Our Student Leadership Council, along with Indigenous leaders, helped guide a beautiful ceremony where we raised a banner acknowledging that we are all Treaty people, located on Treaty 6 Territory and the homeland of the Métis. This shared learning continues to shape our daily actions, relationships, and understanding of what it means to contribute positively to our community.

Ernest Lindner was known for his deep connection to nature and his remarkable art, and we are proud to carry that legacy forward. Our hallways come alive with student artwork, drama, writing, and dance – powerful reminders that creativity is an important part of learning and an important part of who we are as a school. Students across all grades have shown tremendous imagination, perseverance, and pride in their work.

We wrapped up fall with joyful community moments – from Halloween celebrations to everyday acts of leadership, empathy, and kindness that show just how remarkable our students are. I am deeply proud of the inclusive, respectful culture that our students and staff continue to build together. Ernest Lindner School is truly a place where learners grow not just academically, but as thoughtful, caring citizens.

Looking ahead, we are excited to welcome future Ernest Lindner Lions to our Kindergarten Open House on January 29 from 6:30–7:30 p.m. Families interested in joining our school are warmly invited to attend, meet our team, and explore the learning spaces that make Ernest Lindner such a special place to grow. Stay connected with us!

# ST. LORENZO RUIZ

## School Update

The school year is well underway, and what a wonderful beginning it has been at St. Lorenzo Ruiz Catholic School! Both our new vice principal, Dustin Kasun, and I feel incredibly grateful to have joined such a welcoming community. The past few months have been filled with meaningful learning, relationship-building, and a shared commitment to nurturing faith and academic excellence.

Our students continue to thrive as engaged, creative learners. With a focus on critical thinking, perseverance, collaboration, social-emotional learning, and the thoughtful use of technology, they are building the skills needed to succeed in today's rapidly changing world. This year, we are also excited to share that St. Lorenzo Ruiz received a provincial innovation grant. This grant will help us further enhance our school environment and support our school goals.

We are also looking forward to welcoming future families to our Kindergarten Open House on January 26 from 6:00–7:00 p.m. If you or someone you know has a child turning five by December 31, 2026, we invite you to come and learn more about our wonderful Kindergarten program.

On behalf of the students, staff, and families at St. Lorenzo Ruiz Catholic School, we wish you a blessed Christmas season filled with faith, hope, and peace. God Bless!

Sincerely,  
Jennifer Millar  
Principal
