COMMUNITY ASSOCIATION

Volunteers Needed
Join the HVCA

Adult Coordinator

Help adults in our community stay active, connected, and engaged. As the Adult Programs Coordinator, you'll plan and manage exciting programs, from fitness to creative workshops, by coordinating instructors, schedules, and resources. This role is perfect for someone who enjoys leadership, planning, and community building.

Secretary

Want to develop your oranizational and communication skills? Join the board as the secretary! This role includes taking notes at board meetings, preparing and sharing agendas, and keeping track of important dates, tasks and deadlines. Help keep the board running smoothly while giving back to your community.

Soccer Coordinator

Love soccer and want to support local kids? ⚽ Volunteer as our Youth & Kinder Soccer Coordinator to help organize registrations, support coaches, coordinate fields and equipment, and keep our community soccer programs running smoothly.

President

Boost your leadership skills while giving back. The President of the community association oversees board meetings, guiding discussion, and ensuring the association's goals and initiatives move forward. This position is a great way to to gain valuable leadership experience.

At the Hampton Village Community Association (HVCA), we ensure that all new members receive the training, guidance, and resources they need to feel confident and empowered in their roles. We're also looking to fill additional volunteer positions, including Members at Large. If you're passionate about building a stronger community, we'd love to have you on board!

AAA CREDIT RATING CITY OF SASKATOON

As winter comes to a close, we were fortunate to experience only a few significant snow events—far fewer than in previous years. I would like to recognize the exceptional efforts of our Public Works Department, which delivered outstanding snow clearing services throughout the season.

City Council has also made a substantial investment of $160 million to support road resurfacing, enhance transportation networks, and strengthen snow removal operations. In addition, Council has directed Administration to implement a performance "scorecard" for contracted snow removal services to ensure accountability and that work is completed to the expected standard.

CITY COUNCIL VOTES "NO" TO PRIVATE PARTNER FOR DOWNTOWN EVENT & ENTERTAINMENT DISTRICT

- At the March City Council meeting, Administration presented and recommended entering into a partnership agreement with a U.S.-based company, Oak View Group (OVG), to serve as the private operator of SaskTel Centre and TCU Place.
- Council deliberated on the matter for approximately four hours. During the discussion, several concerns were raised, including the proportion of profits that would not be reinvested into the community, as well as allegations related to the organization's CEO.
- Following debate, Council voted 5–3 to deny the proposed partnership (with two Councillors absent). I was among the five members who voted against the agreement. As a result, the current management and staff will continue to operate both facilities.
